Notice of Default Judgment, Nihil Dicit, Res Judicata: Canada's Acting Minister of Justice and Attorney General, David Lametti, *allegedly* representing **The Crown and His Majesty, King Charles III, House of Windsor, in right of Canada and the province of Ontario.**

I really don't think so, and I certainly hope not. But We are going to find out.

The Purpose of the Converse-a-Sean with Violet Nichols last week was to ensure that I had filled out the Information for Court Use Form correctly, because it was the last reasonable explain a Sean I could come up with that these Courts might have for failing to provide the correct Jurisdiction required to enforce My Trust obligations for Claim '22-89835'.

But I did not make any mistakes when filing the Claim, it is clearly marked as a Trust/Fiduciary obligation, so this Court has no excuse for failing to inherit the Jurisdiction required to provide Remedy under the Provisions afforded to these Courts by Canada's Department of Justice, 24.1, and the Trustee Act of Ontario is sufficient to provide these Courts (and therefore **any other officer representing these Courts in any capacity**) the **authority** to inherit the Jurisdiction required to allow the Trustee to fulfill his Fiduciary obligate Sean's in accordance with the **Trust Instrument** and Canadian Law.

You Will hereby take Judicial Notice of My Oath of office in Service of God and the Crown, His Majesty, Charles III, his heirs and successors, to protect the inherent rights of Canada's People according to Canada's Charter and internationally binding Treaty obligate-Sean's, such as the United Nations Covenant on Civil and Political Rights - All these things I Will do, I Swear to God!!! God Save (the repute a Sean of) the King!!!

I've set up a [Special Page on My Blog](#) where I Will be Publishing this Crown Investigate-Sean into Canada's Superior Courts, and I Will be sending his Majesty, King Charles III, a Letter with a link to the Page, and I Will be as King of Charles if he feels these Courts represent his Crown, and if he feels this Degree of incompetence and criminal conduct in Canada's Courts is acceptable. I am thing King he Will be furious to learn this is happening in Canada's Courts and that the Minister of Justice is aware these things are taking place in Canada's Courts and doing nothing about it - but what do I know, right? I'm sure His Majesty Will be tickled pink.

As the primary Beneficiary and rightful heir to My father's Hold on the von Dehn Aristocracy, I am as King for an accounting of all property Registered under the name Joachim Heinrich von Dehn, and a list of all Claims against the Estate of Joachim Heinrich von Dehn. I am aware of two additional claims against the Estate and I require to know the status of those claims and when these Courts intend to update the Registry so that these Claimants know a Trustee has been appointed (allegedly) and may proceed with their claims. My father shows as being 'unrepresented', though I have enclosed a copy of the Trust that has been on Record with Canada's Ministry of the Attorney General since January 19th, 2017. I'd appreciate if You Will update the Record and let Claimants know who is Acting as Trustee.

We have already Established that the Certificate held by Tanja Johnson for the Estate of Joachim Heinrich von Dehn is a fraud because there is no Record of any civil procedure for an Estate Application for Joachim Heinrich von Dehn on the Registry, and no One would have any right, authority, or jurisdiction to even hear an Application regarding this Estate without Sean's prior knowledge and consent. (See attached - 'Errors in Application Form').

In Order for any Application to be processed by the Court, the enclosed 'Errors in Application Form' must be included with the completed Application Record filed with the Court, along with the missing inform a Sean. No application has ever been 'processed' since the first application was returned for trying to make an application without Sean's consent.

As part of this Crown Investigate-Sean, and for My first Order of business, You are hereby Ordered:

1. To produce **the completed Application Record filed with the Court including service of all documents on all parties with an interest in the outcome of the proceedings necessary to process the Application onto the Court Registry.**
2. You Will **update the Court Registry** so that it shows Joachim Heinrich von Dehn is no longer 'unrepresented', and that King Sean, House von Dehn, is Acting as Trustee and Executor of his father's Will to protect his father's legal and lawful interests which concerns all property Registered to his name on October 29th, 2019, and at which time all Real property assets default to property held by the Trust.
3. To provide an accounting of all property Registered under the name Joachim Heinrich von Dehn.
4. A list of **all Claims against the Estate of Joachim Heinrich von Dehn** before the Ontario Superior Court (active or inactive).
5. If You are NOT able to comply with the first Order of business (1. in this list), the Certificate Issued is a fraud by default, and **You Will contact Tanja Johnson immediately and have her return the Certificate to the Ottawa Superior Court in person.**
6. You Will respond to this email to let Me know when I can expect My first Order to be fulfilled and who Will be accountable on behalf of the Court/Crown for receiving and responding to this Investigate-Sean.

I'm not going to tell You what is reasonable or provide You with any dead-line. The Purpose of the Investigate-Sean is to see what these *Crown Courts* consider to be reasonable as representatives of the King. I Wish for You to consider how His Majesty, Charles III, might respond to this email if he were learning these facts for the first time. I figure this is the best Way to determine if You Truly represent the Crown, because King Charles is the One who Will be reading these emails and Your response to them.

However, do Keep in Mind, this is just the first Order of business - I have a great deal of business to take care of and I would not Wish for You to fall too far behind. I would not advise to delay any of My requests. Please also be advised that You Will also receive many documents over the course of this investigate-Sean and none Will be included with the content of the Order arbitrarily. I hope that clue may be useful for You.

[This Converse-a-Sean and Investigate-Sean Will be Published on the International Public Record here.](#)

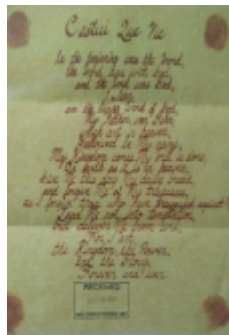

I had initially been as King of You to be prepared for this Investigation 9:00 AM today, so I hope You've enjoyed the extra three hours and thirty-seven minutes Grace. I certainly hope Violet didn't think I'd forgot about her. Spirit of the Elephant - I Will for Give, but never for get.

You'll hear from Me again soon if I don't hear from You first.

Love and Blessings,

King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean
On His Majesty's Service
