SYNOPSIS:

[Your Honour,

On October 23, 2023, the accused Sean VON DEHN attended a court proceeding of a summary judgement hearing that he was personally involved in. During this proceeding VON DEHN audio recorded the proceeding and posted it on November 1, 2023, to his website [www.vondehnvisuals.com](http://www.vondehnvisuals.com). Above the audio link VON DEHN states "And as promised here is the audio from the Rule 20 motion hearing 23-10-23".

On October 23, 2023, in the court room the clerk specifically stated "you are not permitted to make any recording of the proceedings or take photos, or screen captures of the proceedings. It is an offence under section 136 of the courts of Justice Act and it may constitute contempt of court for anyone to copy, record, screenshot, photograph, publish, or broadcast a court hearing or any portion of it, or broadcast a court hearing or any portion of it, or otherwise disseminate such a record including on social media and/or other internet sites without express permission of the court".

Shortly after this is said VON DEHN states "I promised the court in other correspondences before this matter today that I would not record the proceedings today because opposing counsel was taking exception to the fact that I had done that previously. I have been publishing the audio of these recordings to my blog and I've asserted that I have the right to do that under Canada's Constitution which allows uninhibited recordings and public access to proceedings." He then goes on to say that he is rogue journalist, a freelance journalist and that it he believes its important to protect the inherent rights of Canada's people".

The court then reiterates saying "I am just going to reiterate that it is strictly prohibited to do any - to take any recordings, audio recording, and I am going to remind you that it is in the accordance with section 136 of the courts of justice act and section 136(4) of the justice act indicated that every person who contravenes this section is guilty of an offence and on conviction is liable to a fine of not more that \$25,000 or to an imprisonment for a term of not more than six months or to both. So, you are prohibited to make that recording and that is going to be maintained for the duration of this hearing".

VON DEHN agreed by saying "Okay"]

-----

I Det Neilly reviewed this file on March 16, 2024, and realized that the Investigative Action I submitted previously after having a conversation with the complainant Katie Shaw on November 21, 2023, was not saved and I would be starting over.

On November 8, 2023, the complainant Katie SHAW a security clerk with the justice Sector of the Ministry of the Attorney General reported a mischief. She reported that Sean VON DEHN recorded audio from a court proceeding and posted it online. SHAW advised that at the beginning of the proceedings the clerk advised that recording court proceedings was a violation of section 136 of the Court of Justice Act. Justice Marc Smith was presiding, and he reiterated that fact to the plaintiff, VON DEHN, who ignored the warnings and made an audio recording of the entire proceedings.

The recording was found posted on VON DEHN's website [www.vondehnvisuals.com](http://www.vondehnvisuals.com). It appears it was posted on November 1, 2023.

I did see that I had saved the web capture of the VON DEHN website and have a copy of the recording of the court proceeding that was recorded by VON DEHN during the summary judgement hearing on October 23, 2023, in court room 30. I obtained this recording off the the website <https://vondehnvisuals.com/2023/11/01/22-89835-the-kingdom-of-heaven-found-a-sean-verses-johnson-et-al-rule-20-motion-hearing/> [vondehnvisuals.com].

From an email forwarded to me by SHAW I saw that the audio recording was noticed on November 2, 2023, by Counsel for the defendant. Email attached to the file.

I listened to the court proceeding and can confirm that on October 23, 2023, in the court room the clerk specifically stated " you are not permitted to make any recording of the proceedings or take photos, or screen captures of the proceedings. It is an offence under section 136 of the courts of Justice Act and it may constitute contempt of court for anyone to copy, record, screenshot, photograph, publish, or broadcast a court hearing or any portion of it, or broadcast a court hearing or any portion of it, or otherwise disseminate such a record including on social media and/or other internet sites without express permission of the court.

Shortly after this is said VONDEHN states "I promised the court in other correspondences before this matter today that I would not record the proceedings today because opposing counsel was taking exception to the fact that I had done that previously. I have been publishing the audio of these recordings to my blog and I've asserted that I have the right to do that under Canada's Constitution which allows uninhibited recordings and public access to proceedings." He then goes on to say that he is rogue journalist,

-----

a freelance journalist and that it he believes it's important to protect the inherent rights of Canada's people.

The court then reiterates saying " I am just going to reiterate that it is strictly prohibited to do any - to take any recordings, audio recording, and I am going to remind you that it is in the accordance with section 136 of the courts of justice act and section 136(4) of the justice act indicated that every person who contravenes this section is guilty of an offence and on conviction is liable to a fine of not more than \$25,000 or to an imprisonment for a term of not more than six months or to both. So, you are prohibited to make that recording and that is going to be maintained for the duration of this hearing.

VONDEHN agreed by saying "Okay."

When attending VON DEHNS website vonddehnvisual.com he has a link to the audio, and it states above it " And as promised here is the audio from the Rule 20 motion hearing 23-10-23.

It is clear to see that VON DEHNS was recording the proceedings from the start and that although he had stated he promised not to record the proceeding he continued to do so and then posted it on his web site.

I checked VON DEHN on in house and see that he has a drug charge from 2018 and a couple disturbance calls but he has no conditions on CPIC.

I ran him on MTO and see that he had an Ontario driver's license that was suspended for unpaid fines in 2016. I noticed that on both his Ontario DL and the in the court transcript his last name is spelt VON DEHN not VONDEHN.

On March 31 at 10:58 hrs I tried to call VON DEHN to advise him to turn himself in and his phone number on in house was not in service. I search Canada 411 to see if another came up for VONDEHN and had no success. VON DEHN will be charged under the Courts of Justice Act for 1 count of TAKE OR ATTEMPT TO TAKE PHOTO/VIDEO/RECORDING CJA 136 (1) and 1 count of PUBLISH/BROADCAST/REPRODUCE PHOTO/VIDEO/RECORDING CJA 136 (1) (b).

I put out a broadcast with RPG to arrest advising VON DEHN could be released on an undertaking, attached to file.

I attempted to contact VON DEHN and his number is no longer in service.

The audio recording will be disclosed once file is complete.

On April 27 at 10:42 hrs I attended 320 Via Chianti Grove to see Sean VON DEHN and release him on a undertaking.

VON DEHN answered the door and was given the opportunity to invite us in or deal with this in that hallway. He chose to have us stay in the hallway. I advised him who I was and that I was arresting and charging and releasing him for recording and posting his court proceeding in October going over the charge. He immediately stated "yes I did, it's my right" I advised him that I was going to read him his rights. I read his RTC and asked him if he understood and he said "yeah" "I don't require counsel". I read him his caution and he responded "yeah". I then read him his 425 warning and he stated "what does that mean" I advised him that if he was released from custody previously on any conditions that the crown can change /take away those conditions and have him held in custody. He then stated, "I'm not

breaching you are breaching my rights".  
10:48 hrs Arrest and RTC  
10:49 Caution  
10:51 524 Arrest warning

As I went to go over the undertaking with VON DEHN he stated something like I'm not signing that, it's not a legal document my name is King Sean, you have to put King on the form. I asked him not to interrupt me and let me read through the form. He then asked if it was a promise to appear and I advised that it was similar it was an Undertaking. I provided him with the court date to attend and where and when advising that he may be able to do a zoom appearance. I went over the conditions that he needs to contact me if his address changes and that he also needs to attend for a fingerprint date providing the time, date and location. As I was going over the Undertaking VON DEHN stated, "I can read you can just give me the paper". When it came time to sign the form VON DEHN stated he would get his own pen and returned with a stamp pad placing his fingerprint where he was shown to sign. He stated, "I don't sign anything". I provided VON DEHN with a copy of the undertaking and went over a remote case management form leaving it with him.

**CAUTION -- EXTERNAL E-MAIL - Do not click links or open attachments unless you recognize the sender.**

Good morning Mr. Suzuki,

It has come to our attention that the plaintiff has posted audio from the summary judgment motion hearing on his website: [https://vondehnvisuals.com/2023/11/01/22-89835-the-kingdom-of-heaven-found-a-sean-verses-johnson-et-al-rule-20-motion-hearing/\[vondehnvisuals.com\]](https://vondehnvisuals.com/2023/11/01/22-89835-the-kingdom-of-heaven-found-a-sean-verses-johnson-et-al-rule-20-motion-hearing/[vondehnvisuals.com])

Would you be able to bring this to the attention of Justice Smith, or else the appropriate authority at the courthouse to deal with this matter?

Best,

## INITIAL and ADDITIONAL DISCLOSURE

Following the Directive of the Ministry, the attached documents comprise full disclosure of the Crown's case. These materials are being provided to you on condition they be kept strictly confidential, save in the confines of your solicitor-client relationship. This disclosure is provided to you on the basis that you are giving your undertaking as a lawyer pursuant to **Rules 5.1-5 and 5.1-6** of the *Rules of Professional Conduct*.

- 1) You may use these materials solely for the purpose of making full answer and defence to the charges identified in the materials;
- 2) Any material provided in electronic format, including video or audio recordings, must be kept in the custody of counsel. No copies may be made of any of the electronic or digital material provided. If electronic or digital copies of any of these materials are required for court purposes, arrangements must be made in advance with the Crown Attorney who will provide copies for use in court.
- 3) Should you cease to act for the accused, you will immediately notify this office and immediately return the disclosure materials to the Crown Attorney's Office. (NB – Should you make an application to remove your name as counsel of record, the Crown Attorney's Office will oppose such application until you have returned the disclosure materials or can confirm on the record that the materials have been forwarded to the accused.)
- 4) All future disclosure on this file is subject to these same conditions.

The Ministry of the Attorney General's policy on disclosure provides as follows:

Defence counsel must not leave disclosure material in the unsupervised possession of an accused person, or give disclosure materials to the public, as discussed at pp.170 and 217 of the *Martin Report*. Defence counsel must maintain custody or control over disclosure materials so that copies of such materials are not improperly disseminated. These obligations are part of defence counsel's duties as an officer of the court and violations should be reported to the Law Society. Special arrangements may be made between defence and Crown counsel with respect to maintaining control over disclosure materials where an accused is in custody and where the volume of the material disclosed makes it impractical for defence counsel to be present while material is viewed. Where defence counsel refuses to give an undertaking or make an arrangement consistent with the above provisions, Crown counsel should make disclosure available by means of controlled and supervised, yet adequate and private, access to the disclosure material.

If this material is incomplete, illegible, or if it lacks material which you expected to receive under the Disclosure Directive, please write to us as soon as possible. Our fax number is 613-239-1214.

To the extent that this disclosure contains copies of documentary evidence, this letter is notice that copies of such documents will be tendered in evidence at the trial, preliminary hearing or both, pursuant to Sections 23-30 of the *Canada Evidence Act*, R.S.C. 1985, c. C-5 or Sections 258, 259, 667(4), 145(11) or 260(5) of the *Criminal Code of Canada*, R.S.C. 1985, c. C-46.

## DIVULGATION PREMIÈRE et SUPPLÉMENTAIRE

Conformément à la directive du ministère, le dossier ci-joint comprend la divulgation complète de la preuve de la Couronne. Ces pièces vous sont communiquées sous condition qu'elles restent strictement confidentielles, et ne pourront être divulguées que dans le cadre de vos échanges avocat-client. Ces pièces vous sont communiquées dans la mesure où vous prenez engagement en vertu de les **règles 5.1-5 et 5.1-6** du *Code de déontologie*.

- 1) Vous pouvez utiliser ces pièces uniquement dans le but de livrer un plaidoyer complet contre les accusations formulées dans ces dernières.
- 2) Tout matériel fourni en format électronique, y compris les enregistrements sonores et visuels, doivent rester en possession de l'avocat de la défense. Aucune copie de ce matériel, électronique ou digital, ne doit être faite. Si des copies électroniques ou digitales sont nécessaires en salle d'audience, des dispositions doivent être prises au préalable avec le procureur de la Couronne; celui-ci fournira les copies pour usage à la cour.
- 3) Dans l'éventualité où vous cesseriez de représenter l'accusé, vous devez en aviser le bureau sur-le-champ et retourner les pièces communiquées sans délai au bureau du Procureur de la Couronne. (Note : Sans le renvoi des pièces communiquées ou une confirmation dans le dossier de leur transfert à l'accusé, le bureau du Procureur de la Couronne s'opposera à toute requête visant à vous retirer en tant qu'avocat inscrit au dossier.)
- 4) Les pièces à venir concernant ce dossier sont assujetties aux mêmes conditions.

La politique sur les divulgations du ministère du Procureur général est la suivante :

L'avocat de la défense ne doit pas laisser sans surveillance un document faisant l'objet d'une divulgation en possession d'un accusé, ni le mettre à la disposition du public, comme en fait foi le *Rapport Martin* aux pages 170 et 217. L'avocat de la défense doit conserver la garde ou le contrôle des pièces communiquées, de sorte que des copies n'en soient pas indûment diffusées. Ces obligations font partie des devoirs de l'avocat de la défense en tant qu'officier de justice; toute infraction doit être déclarée au barreau. Des ententes particulières peuvent être conclues entre la défense et l'avocat de la Couronne dans le souci de maintenir le contrôle sur les pièces communiquées lorsque l'accusé est en détention préventive et que le volume des pièces communiquées empêche l'avocat d'être présent lorsqu'elles sont consultées. Si l'avocat de la défense refuse de s'engager ou de conclure une entente qui correspond aux dispositions décrites ci-dessus, l'avocat-conseil de la Couronne doit rendre possible la consultation supervisée, contrôlée, adéquate et privée des pièces communiquées.

Si les pièces qui devaient vous être communiquées conformément à la directive du ministère sont incomplètes, illisibles ou manquantes, veuillez nous en faire part le plus tôt possible par télécopieur au 613 239-1214.

Dans la mesure où la divulgation contient des copies de preuve documentaire, la présente vous avise que les copies de tels documents seront présentées en preuve au procès, à l'enquête préliminaire ou aux deux, selon les articles 23-30 de la *Loi sur la preuve au Canada*, L.R.C. 1985, chapitre C-5 ou articles 258, 259, 667(4), 145(11) ou 260(5) du *Code criminel* du Canada, L.R.C. 1985, chapitre C-46.

SYNOPSIS:

[Your Honour,

On Wednesday 28th March 2018, the accused Sean Von Dehn 73/05/06 was verbally aggressive with kitchen staff and was refusing to leave while at The Salvation Army, located at 171 George St, in the City of Ottawa.

Case Name: VONDEHN,SEAN

Case ID: 379141

The accused continued to be disruptive; swearing and being hostile to-wards staff. For that, as well as refusing to leave the kitchen he was discharged from the Life skills Program and TDA (temporarily denied access) to the Salvation Army Ottawa Booth Centre.

The accused left for a few minutes but when he returned he said he refused to be denied shelter at the facility and went upstairs to the 4th floor, despite being told doing so would result in staffs need to call the police to have him removed.

At approximately 7:50, police arrived on scene and asked the accused to leave, he refused. Police advised the accused that he was under arrest for refusing to leave when directed. Police took physical control of the accused because he was non compliant; grabbing a hold of his bedroom door frame and tensing his body trying to prevent officers from removing him.

Once in cuffs the accused was searched where a small quantity of marijuana was located on his person, he was advised of the additional charges.

Rights to counsel, cautions and 524 warning were read.

The accused was transported to central cells and held for show cause.

## 08. POLICE OFFICER STATEMENTS

Case No: 379141

**Police Service:** OTTAWA POLICE SERVICE  
**Occurrence Number:** 18-71508  
**Statement of:** JENKYN CHRISTOPHER MA - 2209  
**Type:** IA - INVESTIGATIVE ACTION  
**Subject:**  
**Start Date/Time:** 28 Mar 2018 - 10:33

---

On Wednesday 28th March 2018, at approximately 0746 hours, I Cst Jenkyn along with Cst Griffith were dispatched to 171 George St, Ottawa for an unwanted person to be removed.

Information received that Sean VON DEHN 1973/05/06 was being disruptive with staff and subsequently asked to leave. VON DEHN refused to do and police were subsequently requested to have him removed from the premise.

A records query indicated that VON DEHN is currently wanted by Guelph Police Service for fraud and failing to appear in court (bench and first instance warrant). A first instance warrant was issued by Toronto Police for revoke of surety. Another bench warrant was issued by Toronto Police for weapons dangerous/carry concealed weapon.

At approximately 0750 hours I arrived on scene where I was met by Kimberley LOVELL. LOVELL directed police to the forth floor where they were met by another staff member, Natalie YOUNGER.

Staff explained that VON DEHN needed to be removed due to his behaviour (statement obtained). Police made their way to VON DEHN's room where they spoke with him at his door.

VON DEHN told police that he has a right to be at this facility and that he would not leave. Police explained that he has to leave for a few hours due to his behaviour. VON DEHN continued to talk over police, refusing to leave, he was subsequently advised that he was under arrest for failing to leave premise when directed (0755 hours). As I attempted to gain physical control of VON DEHN he grabbed onto his bedroom door frame. Once pulled away, he began tensing his body trying to prevent officers from placing him into cuffs, he was subsequently grounded so he could be placed into hands without further incident.

Once in cuffs VON DEHN had calmed down and was taken to my cruiser where he was searched.

Given VON DEHN warrants on file; failing to appear in court and concerns about him returning to this location and causing further issues he was transported to central cells and held for show cause.

I later served VON DEHN a provincial offence notice for reusing to leave

From: Natalie Younger [REDACTED]  
Sent: Wednesday, March 28, 2018 9:45 AM  
To: Jenkyn, Christopher M  
Subject: Incident March 28th at Salvation Army Ottawa Booth Centre

At approximately 7:20 this writer received a radio call from Front Line Worker Kimberly Lovell stating that client Sean Von Dehn had been verbally aggressive with kitchen staff and was refusing to leave. Sean made his way to the front desk and told me he'd politely asked for a new plate of food (as he did not want the food already on the counter) and was refused by kitchen staff. According to him, the staff told him if he did not like it, he did not have to eat it. Sean could not recall everything he had said back but explained he had called the staff a "bitch". For that, as well as refusing to leave the kitchen when asked (please see the incident report by Kimberly Lovell for everything that transpired in the kitchen) I told him he would be discharged from the Life skills Program and TDA (temporarily denied access) to the Salvation Army Ottawa Booth Centre.

Sean left for a few minutes but when he returned he said he refused to be denied shelter at our facility and went upstairs to the 4th floor despite being told doing so would result in our need to call the police to have him removed.

Kimberly called the police while myself and Front Line Worker Peter Proulx went upstairs to talk to Sean, and observe in case his behaviour turned violent or destructive. Sean stayed in his room but eventually opened the door and was deciding if he would leave until my boss, Jason Prevost, arrived so he could speak to him. At approximately 7:50, Kimberly came upstairs with three Ottawa Police officers who arrested Sean after he refused to leave.

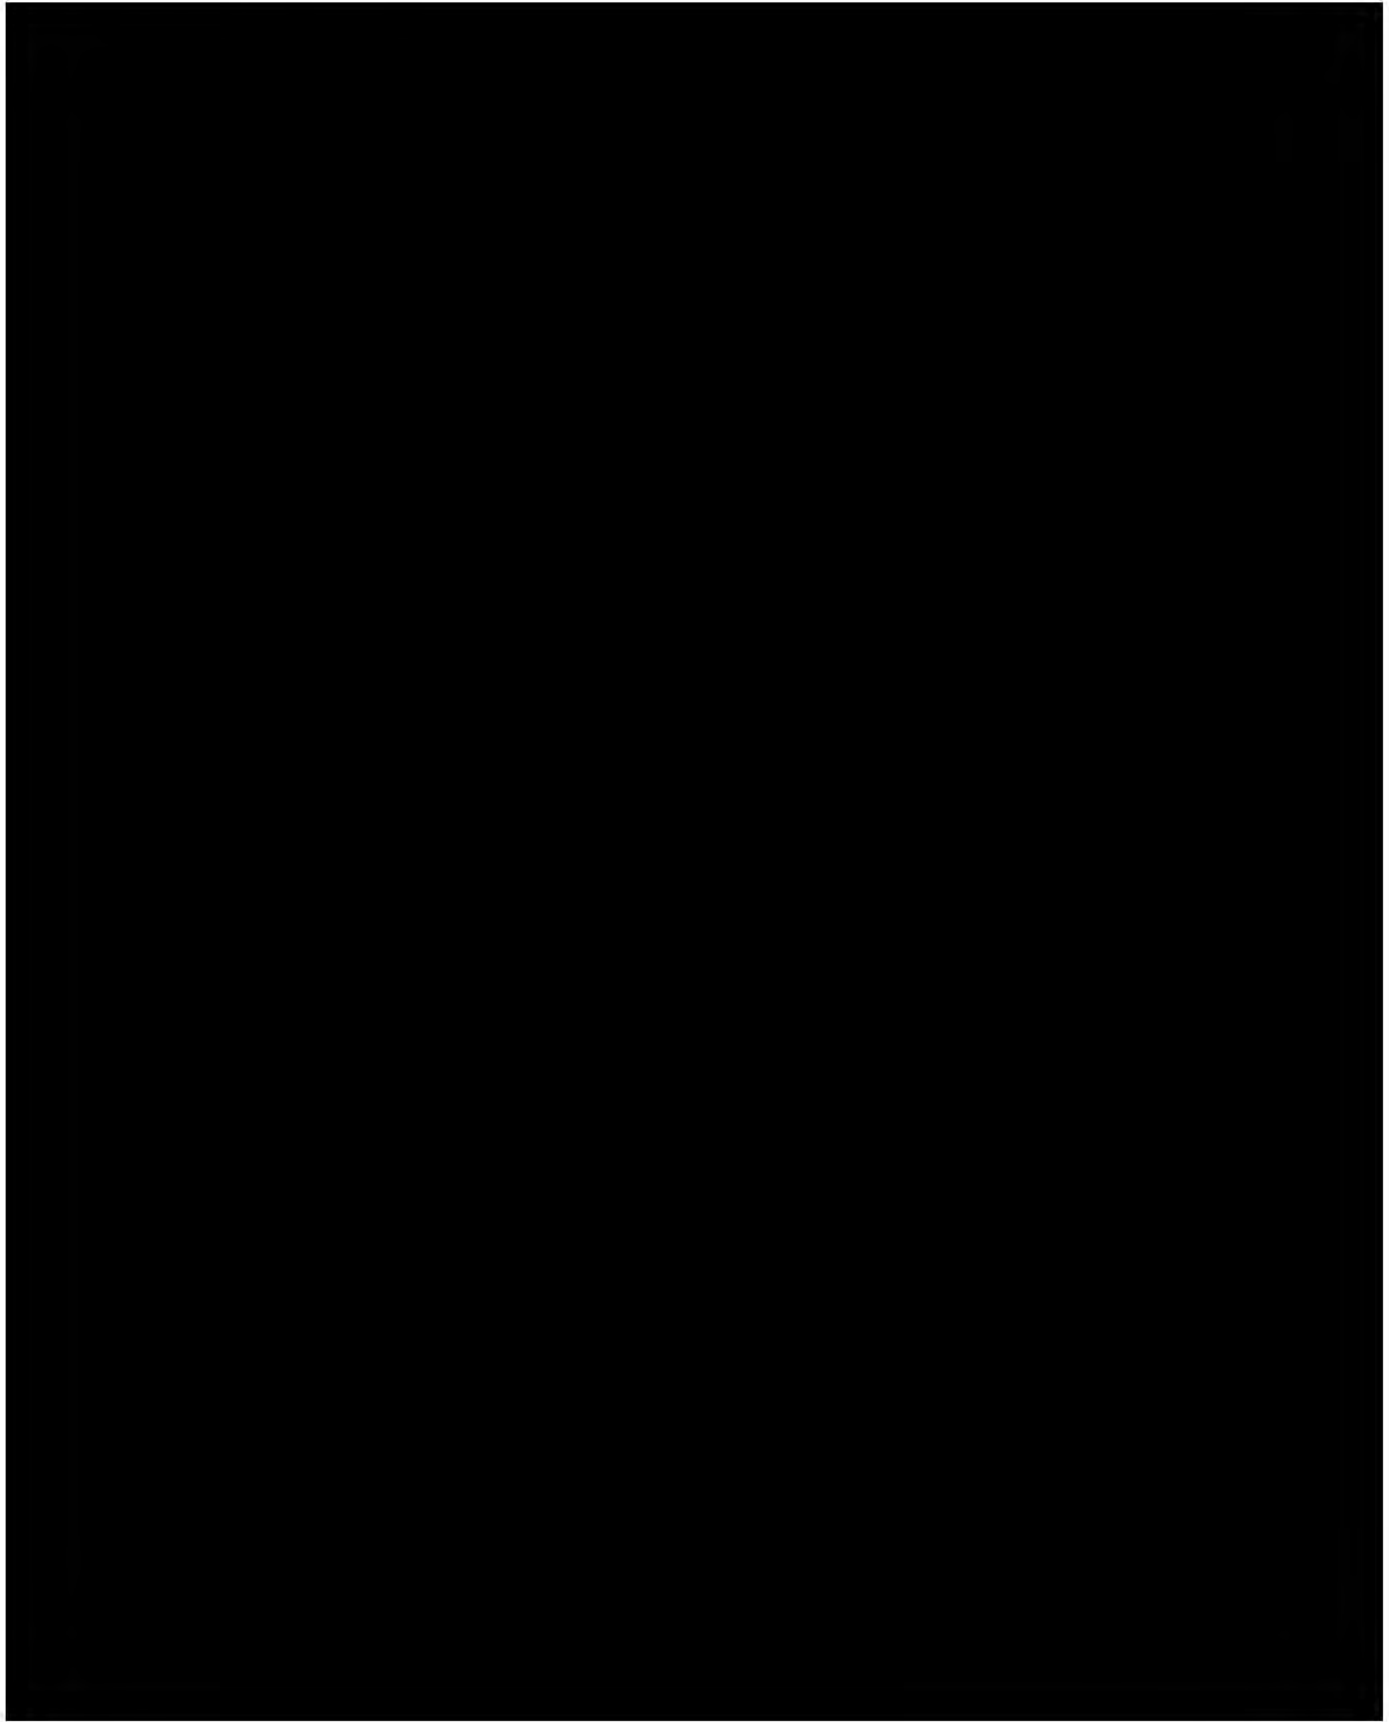

Natalie Younger  
Supervisor of Residential Services at The Salvation Army Ottawa Booth Centre.

What Happened?

This writer was downstairs in the kitchen for the meal line when I overheard a small commotion coming from the line. Kitchen staff Keisha and Carrine asked this writer for assistance due to a client (Sean Von Dehn) being verbally aggressive towards them. This writer intervened and asked Sean what was going on while he was still getting his items together for breakfast. Sean stated that the staff was rude to him and he did not care. While attempting to get Sean's side of what happened he continued to repeat that he did not care and that he asked for a different plate of food and the kitchen staff refused to give it to him. Kitchen staff Keisha and Corrine stated that he already touched the plate and had to use the plate that was given to him. Sean then proceeded to give the kitchen staff the middle finger and proceeded to sit down and eat his food. This writer asked Sean to please leave the building because verbally abusing staff is unacceptable behavior. Sean stated that he was not going anywhere until he speaks with Jason. This writer explained that speaking with Jason was not accessible at the current moment and due to his behavior, he was not welcomed in shelter. Sean responded by telling this writer that "he doesn't fucking care". This writer gave Sean the option of leaving the premises on his own or having police escort him out. Sean told this writer to "call the fucking police because I am not going anywhere!" This writer radioed front desk for additional support. FLW Peter came downstairs and spoke with Sean, advising him to speak with Supervisor Tallie upstairs. This writer called Supervisor Tallie to update her on the kitchen staff side as well as the entire situation. This writer

Came upstairs to write the IR. Supervisor Tallie was speaking with Sean and he ended up leaving the building. Sean returned a few moments later and proceeded to go up to the 4<sup>th</sup> floor, although he was asked to leave. Sean refused.

**ACTIONS AND RECOMMENDATIONS:**

This writer contacted OPS non-emergency at 7:41 am to remove Sean from the building, as he would not leave on his own. At approximately 7:33am OPS arrived and subdued Sean upstairs on the 4<sup>th</sup> floor. It is recommended this client is TDA 24hrs. Minimum.

**Notice of Default Judgment, Nihil Dicit, Res Judicata:** Canada's *Acting* Minister of Justice and Attorney General, David Lametti, *allegedly* representing *The Crown and His Majesty, King Charles III, House of Windsor, in right of Canada and the province of Ontario.*

I really don't think so, and I certainly hope not. But We are going to find out.

The Purpose of the Converse-a-Sean with Violet Nichols last week was to ensure that I had filled out the Information for Court Use Form correctly, because it was the last reasonable explain a Sean I could come up with that these Courts might have for failing to provide the correct Jurisdiction required to enforce My Trust obligations for Claim '22-89835'.

But I did not make any mistakes when filing the Claim, it is clearly marked as a Trust/Fiduciary obligation, so this Court has no excuse for failing to inherit the Jurisdiction required to provide Remedy under the Provisions afforded to these Courts by Canada's Department of Justice, 24.1, and the Trustee Act of Ontario is sufficient to provide these Courts (and therefore **any other officer representing these Courts in any capacity**) the **authority** to inherit the Jurisdiction required to allow the Trustee to fulfill his Fiduciary obligate Sean's in accordance with the **Trust Instrument** and Canadian Law.

**You Will hereby take Judicial Notice of My Oath of office in Service of God and the Crown, His Majesty, Charles III, his heirs and successors, to protect the inherent rights of Canada's People according to Canada's Charter and internationally binding Treaty obligate-Sean's, such as the United Nations Covenant on Civil and Political Rights - All these things I Will do, I Swear to God!!! God Save (the repute a Sean of) the King!!!**

I've set up a **Special Page on My Blog** where I Will be Publishing this Crown Investigate-Sean into Canada's Superior Courts, and I Will be sending his Majesty, King Charles III, a Letter with a link to the Page, and I Will be as King of Charles if he feels these Courts represent his Crown, and if he feels this Degree of incompetence and criminal conduct in Canada's Courts is acceptable. I am thing King he Will be furious to learn this is happening in Canada's Courts and that the Minister of Justice is aware these things are taking place in Canada's Courts and doing nothing about it - but what do I know, right? I'm sure His Majesty Will be tickled pink.

As the primary Beneficiary and rightful heir to My father's Hold on the von Dehn Aristocracy, I am as King for an accounting of all property Registered under the name Joachim Heinrich von Dehn, and a list of all Claims against the Estate of Joachim Heinrich von Dehn. I am aware of two additional claims against the Estate and I require to know the status of those claims and when these Courts intend to update the Registry so that these Claimants know a Trustee has been appointed (allegedly) and may proceed with their claims. My father shows as being 'unrepresented', though I have enclosed a copy of the Trust that has been on Record with Canada's Ministry of the Attorney General since January 19th, 2017. I'd appreciate if You Will update the Record and let Claimants know who is Acting as Trustee.

We have already Established that the Certificate held by Tanja Johnson for the Estate of Joachim Heinrich von Dehn is a fraud because there is no Record of any civil procedure for an Estate Application for Joachim Heinrich von Dehn on the Registry, and no One would have any right, authority, or jurisdiction to even hear an Application regarding this Estate without Sean's prior knowledge and consent. (See attached - 'Errors in Application Form').

In Order for any Application to be processed by the Court, the enclosed 'Errors in Application Form' must be included with the completed Application Record filed with the Court, along with the missing inform a Sean. No application has ever been 'processed' since the first application was returned for trying to make an application without Sean's consent.

**As part of this Crown Investigate-Sean, and for My first Order of business, You are hereby Ordered:**

<https://mail.google.com/mail/u/0/?ik=799f136f92&view=pt&search=all&permthid=thread-a:r-4526117856794864158&siml=msg-a:r-433527705896148...> 1/3

1. To produce **the completed Application Record filed with the Court including service of all documents on all parties with an interest in the outcome of the proceedings necessary to process the Application onto the Court Registry.**
2. You Will **update the Court Registry** so that it shows Joachim Heinrich von Dehn is no longer 'unrepresented', and that King Sean, House von Dehn, is Acting as Trustee and Executor of his father's Will to protect his father's legal and lawful interests which concerns all property Registered to his name on October 29th, 2019, and at which time all Real property assets default to property held by the Trust.
3. To provide an accounting of all property Registered under the name Joachim Heinrich von Dehn.
4. A list of **all Claims against the Estate of Joachim Heinrich von Dehn** before the Ontario Superior Court (active or inactive).
5. If You are NOT able to comply with the first Order of business (1. in this list), the Certificate Issued is a fraud by default, and **You Will contact Tanja Johnson immediately and have her return the Certificate to the Ottawa Superior Court in person.**
6. You Will respond to this email to let Me know when I can expect My first Order to be fulfilled and who Will be accountable on behalf of the Court/Crown for receiving and responding to this Investigate-Sean.

I'm not going to tell You what is reasonable or provide You with any dead-line. The Purpose of the Investigate-Sean is to see what these *Crown Courts* consider to be reasonable as representatives of the King. I Wish for You to consider how His Majesty, Charles III, might respond to this email if he were learning these facts for the first time. I figure this is the best Way to determine if You Truly represent the Crown, because King Charles is the One who Will be reading these emails and Your response to them.

However, do Keep in Mind, this is just the first Order of business - I have a great deal of business to take care of and I would not Wish for You to fall too far behind. I would not advise to delay any of My requests. Please also be advised that You Will also receive many documents over the course of this investigate-Sean and none Will be included with the content of the Order arbitrarily. I hope that clue may be useful for You.

This Converse-a-Sean and Investigate-Sean Will be Published on the International Public Record here.

I had initially been as King of You to be prepared for this Investigation 9:00 AM today, so I hope You've enjoyed the extra three hours and thirty-seven minutes Grace. I certainly hope Violet didn't think I'd forgot about her. Spirit of the Elephant - I Will for Give, but never for get.

You'll hear from Me again soon if I don't hear from You first.

Love and Blessings,

King Sean, House von Dehn,  
Hand of Stephen,
