Thank you for filing this report and raising this matter.

Your message and supporting documents indicate that there are active court proceedings and an active claim with the City of Ottawa regarding this matter. Our Office does not review matters while court proceedings or claims are underway.

We now consider this case closed.

the Court related to this Matter, and I would love to know where You get that idea? This is to avoid court and I'm reporting criminal conduct, malicious breach of Trust on the part of the public Trustee, and this seems like more gaslighting and collusion to trespass and aid and abet the criminal malfeasance of the public Trustee.

Reporter on Jun 14, 2024 9:25 AM

I report criminal conduct on the part of the public Trustee, weaponizing police against Me with fraudulent undertakings and summons that have never been filed with any court, exclusively with intent to intimidate, and You have NOTHING TO SAY?! Who completed the report? Or do You Wish to remain anonymity to avoid liability?

Reporter on Jun 14, 2024 9:35 AM

People are being HARMED by the criminal trespasses of the public trustee and this harm could be put to a stop IMMEDIATELY simply by telling the Ontario Works administrator that they are not above the Law, they are subject to the Trustee Act of Ontario and to Canada's Criminal Code for breach of Trust with malicious, criminal intent. If I can't report these crimes to You, the City of Ottawa, the Ottawa Police Service and the agents of Ontario Works perpetrating the crime, how is Your reply not criminal negligence and contempt? The harm continues to persist because You do nothing. Useless as tits on a bull.

Reporter on Jun 14, 2024 9:36 AM

Your incompetent reply to this complaint will be published at www.vondehnvisuals.com. You are a disgrace, no wonder there is so much corruption on the City of Ottawa, You all just plead ignorance and help each other get away with Your crimes.

Reporter on Jun 14, 2024 9:40 AM

I am acting UNDER DURESS because there does not seem to be a competent body in the City of Ottawa to protect Me from criminal trespasses and harm perpetrated against Me by the

Your decision. Once again, there is NO COURT CASE REGARDING this matter, this was My last try to AVOID bringing this Matter before a Divisional Court, now You Will be a part of the Application.

Reporter on Jun 14, 2024 9:42 AM

How do I put the criminal trespasses against Me to an immediate stop when YOU are the aggressor? Do You not represent the City of Ottawa? You can't put a stop to criminal trespasses when I advise You the police have been weaponized against Me? Then who? Useless.

Reporter on Jun 14, 2024 9:53 AM

You know, whenever I don't receive a name, I presume it is because You know damn well this is not an appropriate reply and are withholding Your name to avoid accountability to the Law. You are a FRAUD.

Organization Rep on Jun 14, 2024 10:11 AM

Good morning.

In your report you indicated that: "I have also filed a claim against the City of Ottawa and Lisa Kilner". Our Office does not review matters that are currently being reviewed through another mechanism.

We appreciate you reaching out through the Fraud and Waste Hotline and would be happy to review any other matters or concerns you may have that meet the definition of fraud or waste under the City of Ottawa Policy which you can find on our website - <https://www.oagottawa.ca/media/jrrgicqs/fraud-and-waste-policy-docx-2.pdf>

Reporter on Jun 14, 2024 10:47 AM

This DOES fit the definition because Ontario Works are SPOLIATING documents - countless documents. The Ottawa Police Will not investigate, so I MUST report to You because that is FRAUD - they are to be impartial, not just investigating innocent People because the

the purpose of litigation and adding You to the application. I consider this gaslighting and gross, criminal malfeasance causing harm.

Reporter on Jun 14, 2024 10:49 AM

If You are not colluding with the City of Ottawa and don't know that Your reply is inappropriate and allowing harm to persist, You Will provide Me with a name. Otherwise, what are You hiding from? You have no need to be anonymous unless You are also engaged in fraud or contributing to the criminal malfeasance already expressed.

The City wants me to wait up to six months while the criminal trespasses of the public Trustee continue to cause harm to Me unabated, and You believe this is acceptable, and I should just put up with the criminal trespasses and harm being done to Me for another six months, or whenever the City of Ottawa feels they should be accountable to the Rule of Law? I want Your name if You are not guilty of criminal malfeasance, You Will have no issue providing it.

Reporter on Jun 14, 2024 10:43 AM

I am reporting to You UNDER DURESS because I'm a victim of criminal trespass and cannot trust My local police to put the crimes to a stop because they collude with the City of Ottawa against Canada's People? They are fabricating summons and undertaking in fraud to intimidate Me, and that's not something You can investigate? How hopeless are You, and what am I to do if I can't trust the local police to put criminal trespasses against Me to a stop? If I were engaged in this sort of fraud, I would be going to jail for a very long time. But for the City of Ottawa public Trustee, this degree of criminal malfeasance is acceptable, and can continue until the City of Ottawa completes its review of My Claim? You don't

the claim separately. I need the criminal trespasses against Me to stop, they are causing Me serious harm and I can't go to My local police - You're telling Me that's not fraud? If police can't protect Me from crime then what are they there for, intimidating the public and aiding and abetting Your crimes?

Reporter on Jun 14, 2024 10:52 AM

Lisa Kilner has been placed on Notice of Civil and Criminal Liability because she has acknowledged the criminal trespasses of the OW administrator and has taken no action to put the crimes to a stop, aggravating the circumstances, just as You are doing now. One should be able to report a crime and expect to see People arrested. But apparently, the City of Ottawa is above the Law - FRAUD (because most of Canada's People believe the laws are for every One, not just for citizens to be exploited by State Actors).

Reporter on Jun 14, 2024 11:13 AM

There is not a single ounce of integrity in any City of Ottawa employee, only bottomless seas of contempt and narcissism. All You ever do is pass the buck and say it's not Your department. You ALL represent the same treasonous Trudeau government at the end of the day, and You have demonstrated You are every bit as corrupt, morally bankrupt, and incompetent. I have clearly advised You that I am being HARMED by Your criminal negligence, and that I can't find a single individual, state actor, public Trustee or otherwise in the city of Ottawa, who can put the crimes against Me to a stop, or hold corrupt State Actors accountable. You are ALL morally bankrupt, treasonous traitors to Canada's People, aiding, abetting, and covering up crimes of the Ottawa public Trustee under the guise of an investigative committee. Your entire organization is a fraud.

Reporter on Jun 14, 2024 11:16 AM

I'll let the Divisional Court know that You didn't interfere because You were very pleased with the Way the City of Ottawa is allowing the Ontario Works administrator to enjoy immunity from criminal prosecution at My expense. Noted for the Record, thank You for NOTHING. These messages and Your response to My complaint Will be the cause of Action for My application to the Divisional Court. Fraud and waste

Reporter on Jun 14, 2024 11:47 AM

Do You realize than not ONE member of government working in the HoC or for City Council, or the public Trustee earns a single red cent for Canada's economy, yet they are some of the highest paid People in Canada? Where do Your wages come from? You suggest that Canada's People can struggle to survive because they need to WORK to earn money while You just take whatever You Wish from the public Trust account created for THEIR benefit!? You are treasonous fraudsters bankrupting Canada's People, and I don't believe a single elected official, 'State Actor' in any capacity has the slightest inclination as to how to do their job or manage a Sovereign economy. I don't think a single one of You has the first clue about international banking, or how to Create a fiat currency. It's been the blind leading the blind since 1867 and the Crown 'allowed' You to claim independence because it was kinder than killing all the treasonous traitors, and what harm could they possibly do when they don't know the first thing about international banking? You were all listed as prisoners of war and use fiat currency as a punishment because You can't 'buy' things with some One else's stuff (whose face is on the coin)? You are the WASTE AND FRAUD of Canada's Public Trust, and so is every other STATE ACTOR who does not produce any wealth for Canada, only exploits the wealth of the People and steal their credit. You are a WASTE of time and resources - can I report You? I believe You are engaged in FRAUD.

Reporter on Jun 14, 2024 11:54 AM

Is it possible to request a copy of the full report and investigation for the purpose of litigation? I would like to include this report and investigation in My application to the Divisional Court for Judicial Review, please.

I believe it is entirely 'incorrect and unreasonable' that You are allowing the criminal conduct of the public trustee to exist and persist unabated, that is criminal malfeasance causing harm, and at this point I am only interested in taking a tally to find out how many departments in the City of Ottawa are complicit in the gift.

Thank You - pdf format Will be preferred if possible.

Trustees trespassing upon My Trust obligations with impunity because they believe the Trustee Act of Ontario does not apply to them, and that even if it does, Canada's Criminal Code does not apply to State Actors, and so they can continue to trespass upon My Trust obligations with impunity.

A Breach of Trust is a form of FRAUD!!! The People of Ottawa are supposed to be able to TRUST that when they complain to the City of Ottawa of criminal malfeasance and actions of other People Trusted to administer public funds and paid for by public funds, that something Will be done about it IMMEDIATELY!!!

You are suggesting that criminal trespasses upon a Trust Instrument on file with the City of Ottawa is acceptable? You are suggesting spoliating documents from My case file at Ontario Works with criminal intent to plead ignorance is not serious breach of Trust and FRAUD?

I was threatened with 'police action' for REFUSING to destroy EVIDENCE of Ontario Works breaching the Trust of another Beneficiary, doing NOTHING to contain the breach, did NOT notify the individual whose privacy was breached, did not even mention to other recipients to keep the documents private and confidential because that it was sent in error! That individual has NOT been compensated and has been 'ghosted' by Ontario Works ever since. I'm also Acting as her Trustee by consent, and I am keeping her name confidential for now, though I know she Will be happy to testify to how disappointed she is to hear You are doing nothing. I believe a Court Will be, too - if there is such thing as a competent Court in the City of Ottawa as it appears the city's lawyers are colluding with clerks to keep damaging claims OFF the court of record by not 'processing' the documents onto the Registry.

And You are doing nothing about that, either. Interesting. I'm beginning to believe more and more that State Actors are nothing but mobsters in plain sight, dressed up in suits like mafia kingpins. Putting on such a Good show, but none of You care about Canada's People, just how much You can pay Your Self from the public Trust, and how many new departments and government positions You can create for Your friends to expand government at the expense of the People.

If You are going to suggest that the reason You are not responding or investigating this complaint further is because there is a claim before the City of Ottawa, then at least do Me the courtesy of compelling the City of Ottawa to put the CRIMINAL TRESPASSES UPON MY TRUST INSTRUMENT TO A STOP IMMEDIATELY!!!

To suggest You don't know the Default Judgment is binding upon the City and not satisfying the Claim immediately is contempt and criminal malfeasance causing harm and

for allowing the criminal trespasses to continue in the meantime.

Put the criminal trespasses upon My Trust Instrument by all State Actors in the City of Ottawa to a stop immediately, or be held civilly and criminally liable in their stead.

Blessings,
