Dear Nathalie Gougeon,

You are hereby on Notice of Civil and Criminal Liability for receiving a report of Willful, criminal trespasses of the public Trustees for Ontario Works upon a Trust Instrument and Declaration, spoliating documents from his case file to plead ignorance of the Law as if it is a reasonable excuse for criminal trespass, weaponizing local police forces against him to intimidate him into destroying documents necessary for litigation, and MUCH more. I have attached the full complaint and Your response to it for Your convenience.

You closed the file without putting a stop to the criminal trespasses of the public Trustee, aggravating and exaggerating the overall Value of the Claim, when You are supposed to be making sure that the City of Ottawa does NOT waste valuable resources, and with a Claim already valued at \$101,000,000.00 (one hundred and one million dollars), I'm not sure how deep the City of Ottawa's pockets go, but I am Willing to find out.

Notice to Principal is Notice to Agent, Notice to Agent is Notice to Principal. You accept full civil and criminal liability for the People under Your watch.

You are hereby served. You have until Monday morning to fix this before You Will be Noted in Default, 'Nihil Dicit, Res Judicata', and You Will be liable for the compounding harm done to Me by Way of Your criminal negligence for allowing these crimes to continue. Obviously, You do not care how Trust-worthy and of the State Actors war King for the City of Ottawa are, do You?

Blessings, You Will need them,

Govern Your Self better.
