Dear Detective Neilly,

Please be advised, the Trustee Act of Ontario appliest to ALL TRUSTS WHENEVER CREATED, AND ALL TRUSTEES WHENEVER APPOINTED.

Application of Act

66 Subject to section 67, unless otherwise expressed therein, this Act applies to all trusts whenever created and to all trustees whenever appointed. R.S.O. 1990, c. T.23, s. 66.

Powers, etc. under Act and trust instrument

67 The powers, rights and immunities conferred by this Act are in addition to those conferred by the instrument creating the trust, and have effect subject to the terms thereof. R.S.O. 1990, c. T.23, s. 67.

Express terms of trust instrument to prevail

68 Nothing in this Act authorizes a trustee to do anything that the trustee is in express terms forbidden to do, or to omit to do anything that the trustee is in express terms directed to do by the instrument creating the trust. R.S.O. 1990, c. T.23, s. 68.

King Sean, of House von Dehn is the Trustee and Executor for the artificial person commonly expressed as 'SEAN VON DEHN', 'Sean VON DEHN' et al. This is an artificial person and statutory creation of the Canadian government. You are commercially liable for all of Your property, and the artificial person is Registered property of the Crown. I may not be compelled against My Will to 'identify' as anything other than the name I was Given by God in its proper Style and Magical Spelling.

Please also be advised that You, Detective Nielly, Will be subject to full civil and commercial liability for Your Wilfull trespass upon My Trust and fiduciary obligations, and for failing to Honour Your Oath to Canada's constitution which allows for 'uninhibited public access to Canada's Courts'. If You have the right to record Me, I have the right to record You.

You Will be held liable in Your personal, private capacity if the charges are not withdrawn on consent.

Unless You can explain why the Trustee Act of Ontario would not apply to Me, I look to forward to an apology for Your attempt to intimidate and harass Me when You have no injured party and are Acting in violation of Canada's constitution for which You swore an oath to protect.

You are hereby charged in Your personal, private capacity for abdication of oath and breach of Trust with malicious intent to trespass upon a Trust Instrument My Spiritual obligations to protect the inherent rights of Canada's People in accordance with the International Covenant on Civil and Political rights ratified by Canada, March 16, 1976.

Please also note that ignorance of the law is no excuse, especially for a policy officer!

I look forward to hearing from You.

My Story - Trust on file with MOJAG and published on the International Court of Record [vondehnvisuals.com].

Attention Detective Neilly,

I require disclosure so that I may adequately prepare My defense. You have not provided any evidence to substantiate Your baseless allegations.

I also require to know who the injured party is if I am being charged under Canada's criminal code. There MUST be an injured party or there is no crime.

I look forward to hearing from You,

Please note, expressing any portion of My Sacred Calling under God is a Spiritual trespass and is also a trespass upon My Trust instrument filed with Canada's Minister of Justice and attorney general, each offense (expression of the name in ALL CAPS) is subject to a \$100,000.00 fine, as Canada's terminology and linguistics database defines the use of capitus diminutia maximum as a reduction of status reserved for slaves and prisoners of war.

I do not identify as an artificial person, I am a Man Acting in My Sui Juris Capacity as Trustee and Executor for the Kingdom of Heaven Found a Sean, an Express Trust organization on file with Canada's MOJAG since January 19th, 2017.

I perceive this threat to be in retaliation for reporting the federal crimes of court judges to the Minister of Justice and Attorney General. Marc E. Smith is a criminal posing as a judge and needs to be removed from the bench and charged with breach of Trust with malicious, criminal intent to cause harm, as well as aid and abet insurance and court fraud to the tune of \$3

million.

This is an absolute joke, or this legal system is more corrupt than N Korea.

I look forward to hearing from You and receiving that disclosure.

Dear Crown,

Please advise Me of any update because I am NOT going to attend court if there is no Record of this. Again, I would like to reassert that I would like the officer charged for serving Me with fraudulent information. Or does the Rule of Law not apply to Me except to exploit My rights?

Some One needs to be held to account, this is very stressful for Me and psychological abuse.

Dear Dawn,

Yes, that is the 'NAME' I gave to Virtual Crown - they say there is NOTHING in the system for this stranger of person You continually seem to confuse Me with. Can You compel Me under threat of harm and abduction to identify with this stranger. What was this person alleged to have done? I have no knowledge of what You are tall King about? Who is the injured or complaining party?

I look forward to Your reply, because so far it appears You are engaged in fraud and compelling Me under threat of harm to identify as some artificial person defined as having no rights of citizenship or family according to Canada's terminology and linguistics databank. Are You attempting to deceive Me into accepting a false identity?

Hello, Dawn,

Just following up with You here. I'm very confused to know why You believe I am the person on the UNDERTAKING You compelled Me to accept under duress for threats of assault and unlawful confinement? I also require to know who the injured party is and how they were harmed? Who is 'charging' this artificial statute creation for causing harm or loss?

This 'Virtual Crown' told Me they can't find any information or disclosure related to this Matter and I am Entitled to full disclosure of all Matters concerning My interests - or do You concede that this Matter does not concern Me, and that You were threatening with harm and harassing Me for no Good reason?

I anxiously await Your reply, Dawn.
