Dear Virtual Crown and Vinicius the Odious Oliveira,

Although there appears to be no (public) Record of these charges, I am being threatened and intimidated by Vinicius 'the Odious' Oliveira who appears to be 'impersonating' Crown and proceeding against Me in fraud. He's presented Me with three informations that have NOT been endorsed by any Justice of the Peace or filed onto the REGISTRY.

This is FRAUD, denying Me of My right to a fair, impartial, PUBLIC hearing. I have reported very serious federal crimes to Vinicius the Odious Oliveira, advising him that opposing counsel in a Trust Claim are attempting to weaponize the Courts against Me to cover their three million dollar insurance fraud perpetrated on the Toronto Superior Court, Me, and My deceased, UNREPRESENTED Father, Joachim Heinrich von Dehn.

I can't handle any more of the psychological, emotional, and economic abuse, and My intent is to report these crimes to the Justice of the Peace in today's hearing. I Will NOT tolerate any more 'rescheduling' while My complaints of the criminal trespasses being perpetrated against Me and My deceased father are put to a stop.

I have prepared materials to Present to the Justice of the Peace today at 1:30 Post Midi, Courtroom 101 at 100 Constellation Drive which are scheduled to Post to www.vondehnvisuals.com at 1:30 this afternoon. It is ESSENTIAL that I am heard by an Honourable Justice of the Peace so that these federal crimes can be put to a stop, and so that Vinicius the Odious Oliveira Will cease and desist his attempt to weaponize the Courts against a victim of federal crimes, court fraud, and estate fraud depriving Me of My Trust obligate Sean's.

Please ensure the Justice presiding over Courtroom 101 at 1:30 today receives this email.

If no action is taken today, I WILL NOT be attending any future hearings related to this Matter, I Will be reporting these crimes and the collusion of Vinicius the Odious Oliveira to the RCMP.

Thank You,

Blessings,

King Sean, House von Dehn,
Hand of Stephen,
