Dear Michael,

In the 'Ledger as of September 25th, 2024', there are several pages missing. The account goes from a deficit of over \$10,000.00 to positive balance starting at the top of the last page. I need to see the payment that was made to restore the account to Good standing.

I also require a copy of the receipt that was Signed with Lori Simpson when I met with her to pay that amount previously - that contract was not to be revoked without Notice to Me for any reason, and provided MHI direct access to the public Trust account Created for Sean von Dehn's benefit for as long he requires the apartment.

Please also be advised that I did send You a letter including a copy of the tenancy agreement, page 2, which states that the landlord (MHI) is responsible for paying any amount not paid for by the City.

I'm including that Notice for Your convenience. I'm curious to know why You didn't tell Me the subsidy was revoked BEFORE there was a balance owing?

Why did You wait until the deposit had been depleted and serve Me with an N4 without advising Me of the Issue and attempting to resolve the Matter with Me as We did last time at 370 Catherine Street?

I'm not sure why You cancelled the payments and failed to tell Me about it, which is why I believe this Act was done with intent to cause Me undue harm and psychological duress in retaliation for My claim against MHI with the LTB for the gross discrimination I have been subject to for the last three and a half years.

I look forward to receiving the missing pages of the account ledger, or I believe You are omitting the pages to engage in fraud and mislead the tribunal.

I hope and Trust this email finds You well,

Many Blessings, have a wonderful morning,
