Good afternoon, Jester Jaye Hooper and Agent SMITH,

Nihil Dicit? Nothing to say? Interesting.

Those arrests best get made within the next two hours, or You Will both be noted in Default Judgement, 'Nihil Dicit, Res Judicata'.

The decision Will be final because You are being Given fair opportunity to explain why Your decision is in direct conflict with the Court of Record which STILL shows that no One has been appointed to represent the legal and lawful interests of Joachim Heinrich von Dehn.

You Will arrest the criminals by issuing warrants TODAY, or You Will be presumed the principal fraudsters attempting to weaponize the Courts against Canada's People and use them as a cloak for Your fraud.

You Will be noted in Default at 5:00 PM TODAY if You do not provide a legal and lawful explanation for Your criminal malfeasance causing serious harm to the injured party, colluding with the fraudsters conspiring against Me.

You are hereby served on a public Record in a Common Law jurisdiction.

Blessings,

King Sean, House von Dehn,
