Dear Clara,

The City's lawyer has been included in this email so that she can provide You with a legal or lawful excuse for trespassing upon a Trust Instrument on file with Your office with malicious intent to economically exploit the beneficiary and trespass upon his Spiritual beliefs and convictions with IMPUNITY!

You Will be held liable for all the harm done to Me by all agents of Ontario Works who are NOT Honouring the Trust Instrument on file with Your office for the last SEVEN years - I have been MORE than patient waiting for You to explain Your Self.

I am offering to provide You with immunity from criminal prosecution if You respond to Me today and tell Me what You are going to do to remedy this error.

Failure to do so, and You accept full civil and criminal liability for all harm done to Me by Your agents trespassing upon My Trust Instrument with impunity and malicious intent to antagonize and gaslight the Trustee Act of Ontario, suggesting it does not apply to You?!

Patently INCORRECT AND UNREASONABLE and My grounds for an application for Judicial review, where I WILL be as King to have You prosecuted to the fullest extent of Canadian Law.

If You Wish to Honour the Claim against You or offer some alternate resolution proposal to avoid criminal prosecution, You have until 5:00 PM TODAY!!!

You were already served with a Notice earlier today, this is a courtesy reminder that You only have a couple hours left.

I look forward to hearing from You,

All other recipients in receipt of this email are bearing witness to Clara's incompetence and contempt for the People she (allegedly) swore an Oath to SERVE.

Blessings,
