Good morning,

How long does it typically take You to review a complaint to ensure it is 'completed and Signed'? I've been waiting well over a month, I am being SERIOUSLY HARMED every additional day You don't make an arrest to apprehend the criminals conspiring against Me.

If state actors are 'above the law', just reply and tell Me already, I Will request asylum in another country that Honours the inherent rights of its People, and bring My Claims against Canada into an international Court. I don't Wish to have anything to do with a fascist dictatorship if that's what Canada has become, I just Wish for You to be honest with Me about what this is.

Any reason why You can't make arrests TODAY? Anything You require OTHER than a letter inviting Me to attend a fake hearing (attached)? Let Me know.

I do not feel safe anymore, I don't believe I can Trust any One in Canada's government. Can You provide Me with ANY reassurance that every office is not entirely corrupted?

Blessings,
