Clara Freier has recently threatened Me, advising Me it is 'inappropriate' to place her on Notice for trespass upon a Trust Instrument on file with her office and MOJAG.

The whole point to making sure that MOJAG has receipt of My Trust is to ensure that no public servant can plead ignorance of the Law. But that appears to be Clara Freier's only legal defense for malicious, criminal breach of Trust causing Me serious harm, and I am confident she is behind the fraudsters Vinicius Oliveira and Yvonne Goebel who Wish to try Me in a mock court at 100 constellation with bogus police information.

I need relief from these attacks upon My person.

Please respond quickly!!! UNDER DURESS AND WITHOUT RECOURSE!!!

Blessings,
