Dear Nazi Nana,

So, I made You aware of Your 'mistake'. If it were Truly a 'mistake', You would have responded to Me immediately to explain the mistake and assure Me the money Will be in the beneficiary's account by the end of the day.

That is the PURPOSE of a NOTICE OF CRIMINAL MALFEASANCE CAUSING HARM - to advise You that Your mistake constitutes a *criminal offense* according to Canadian Law (Canada's Criminal Code) if it is done *deliberately* and with INTENT to cause harm. So You are Given Notice of the error so that You can remedy the error and put an immediate stop to the economic harm done to Me by Way of Your criminal malfeasance.

Maybe You didn't like 'the tone' of My email? I don't care, it does not Give You any right whatsoever to withhold public money from Me with intent to cause Me further economic harm, as well as emotional and psychological abuse.

You DESTROYED a TRUST INSTRUMENT after demanding I provide You with a copy under duress for threat of economic harm for failing to comply with Your unlawful order, THEN tell Me that it doesn't Matter because *the Trustee Act of Ontario does not apply to You?!*

I have NEVER in My life been treated with as much indignity and contempt as what I was treated with by You, and I have the full audio recording of Our meeting. You were malicious, vindictive, aggressive, demoralizing, ignorant, and simultaneously patronizing in Your ignorance. It was an absolutely intolerable experience, You are the most morally and ethically bankrupt individual I have known in My entire life.

If You are this cruel and unkind to Me, how cruel and unkind are You to People who are ignorant of the Law and don't know their rights? How much do You pay Your Self from the public Trust to steal a portion of My benefits to exact Your malicious revenge upon Me?

I'm subject to post traumatic stress disorder every time I am compelled under duress and without prejudice to communicate with You. I hate You, You are inhuman, discompassionate, a tyrant. That's why You get the name, 'Nazi Nani' - You are a fascist.

'Just following orders' was not an acceptable excuse for Nazis at the Nuremberg trial, are You hoping that You can Your criminal Acts because You are 'just following the orders' of supervisors and managers who also believe they are 'above the law' and not subject to Canada's Criminal Code for malicious weaponization of the Ontario Works Act against its intended Beneficiaries?

Better make sure the money is the account today with considerable 'interest' for the additional emotional and psychological harm You have caused Me. I don't Wish to communicate with You, I Wish I did not have to! But You COMPEL Me to when You steal My money, and stealing or misusing public funds is a serious criminal offense. If You don't have the money in the account by the end of the day, You best have a lawful excuse.

You owe Me over \$100,000,000.00 already so I'm not as King for any more, just Give Me what I am rightly owed.

Blessings,
