Dear 'Virtual Crown',

NOTICE OF CRIMINAL LIABILITY: FRAUD, COLLUSION, RACKETEERING, PIRACY

This is entire proceeding was done in PRIVATE, off the Court of Record, the Justice of the Peace was WARNED AND ADVISED that I know she is engaged in fraud. The Justice was vacated, suspended, and advised that any orders she attempts to make in her personal, private capacity IMPERSONATING Crown Will be vacated for FRAUD.

The Justice on Notice for Abdication of Oath, Breach of Trust with Criminal Intent, Conspiring to intimidate a primary witness in a Superior Court Matter with malicious intent to prevent him from making his testimony to an Honourable Court.

Vinicius Oliveira and Yvonne Goebel, the clerk of the court that day, and every One else involved must be charged to the fullest extent of Canadian Law.

I require the MASTER RECORD and the Justice's order obtained in fraud. A Record of what REALLY took place in the hearing were I was FRAUDULENTLY Noted in Default after the Justice had been dismissed, in My absence, and with intent to deceive and engage in fraud for personal, economic gain.

Needless to say I am appealing this Decision to a Divisional Court and require the full MASTER RECORD of all Court documents processed onto the Registry related to the above file.

Thank You,

Good afternoon,

How long should I anticipate waiting for a copy of the Order and the name of the Justice who made it?

Blessings,
