Good morning, 'The City of Ottawa',

How is Canada's most corrupt capital doing this morning? How's the little criminal operation going? Oh, sorry - don't be offended, I was facetious when I said 'little' criminal organization! I know You have fences in the Superior Court of Bracebridge, Toronto, and probably every other Superior Court in the province of Ontario as well. I'm curious to know if this is a provincial or national grift?

And seeing as You are being so bold and upfront about Your criminal cabal and lack of regard for the reputation of the Crown You allege to represent, I figure there is no harm in at as King You how much it might cost some One like Me to Keep a Claim or Application 'off the Record'?

Is this a service any One can pay for, or is this service only for 'special' clients? And if it is only for 'special' People, how does One become 'Special'? How do You decide which individual Will get screwed over and which party Will be provided with immunity from prosecution to engage in such criminal conduct. You know, like My brother and sister, Tanja Johnson and Michael von Dehn.

I'm also curious to know if it's a 'one time fee', or does the price increase the longer One is as King of You to lie to a litigant and Keep Matters 'off the Record'?

How does a criminal like Gillian the criminal Kreling get a job as supervisor of Court clerks for the Ontario Superior Court of Justice, anyway? Well, I figure it probably went something like this.

Judge Herb Kreling works as city councillor, discovers how corrupt the City of Ottawa is and figures they could use some Good Friends over at the Ottawa Police Service if they Wish to secure their criminal enterprise, so he gets a seat on the board of directors for the local police service to network with all their 'top brass', as the expression goes. If only there was a corrupt Judge or two (or maybe even an entire Courthouse or three) who could sign and endorse Court documents to make their little criminal operation and private meetings arranged by the corrupt court clerks appear that much more 'authentic' and convincing.

But what if some One was clever enough to check the public Record and report these criminals to officials of the Court? That's when Herb Kreling figures it might be a Good Idea to have some Trusted family members in on the operation to Act as gatekeepers for the Court, making sure that if any One becomes the wiser for their little operation, they can just send the local police over for a little intimidation.

And wouldn't You know, Gillian the Criminal Kreling applies to the Court and gets the job she was as King for just by telling the interviewer, 'My daddy is a Superior Court Judge!'. 'Oh, really?! You don't say! Well, how about You start tomorrow and We'll see how fast We can make You a supervisor? Your top priority Will be to make sure that no motions reporting the criminal acts of clerks of this Court or the City of Ottawa employees are *ever to be filed onto the Registry*. Just take those files and place them in this Special little folder We have here so that We can make sure only Our most corrupt Judges and Justices see them for endorsement. This Will be a perfect fit for You, I'm sure You Will make Your daddy very proud!'

Am I close, is that something like how it went? Or how exactly did You get every clerk of the Court to conspire with You against Canada's People? And how do You decide who gets screwed over and who doesn't? Is it just whoever pays You the most, or what is the 'barometer' in that regard?

Well, I presume this criminal operation You have set up here is just too big and too profitable to put to a stop? Or is it so big and is Your power so absolute now that public exposure of all this corruption isn't a problem anymore?

How long have You been using the address 'Virtual(dot)CrownOttawa@Ontario.ca to impersonate the official Provincial Crown Attorney's email?

I look forward to hearing from You, You are Giving Me quite the Story to tell. And all I can do is guess and speculate about how You managed to set up such a cohesive criminal network and how You manage to continue with such impunity, so please feel free to let Me correct any of My presumptions or hypothesis. All We know for sure is not one clerk from this Court at any of the official email addresses has even responded to express sympathy or regret for the criminal network operating in Your Courts.

It is obvious none of You represent the Crown or His Majesty, You represent the City of Ottawa's criminal cabal and are gatekeepers to protect the City of Ottawa's criminal interests.

I hope and Trust this email finds You all well, it Will be published to the International Public Record at [www.vondehnvisuals.com](http://www.vondehnvisuals.com) later today. Enjoy!

So I presume Your police services are there exclusively to protect this criminal organization You have going on here, as well as any other racketeering operations the City of Ottawa might be engaged in? Is that a better description of the Ottawa Police Services promise to 'serve and protect'? Serving and protecting the City of Ottawa's racketeering operations?

Wonderful. Never have I seen so many professionals trusted to protect the Rule of Law using their position to pervert the Rule of Law and engage in criminal conduct. Bravo for perpetrating this fraud on Canada's People for as long as You have.

Obviously, no One in receipt of this email is interested in the administration of justice because every single one of You is (at best) criminally negligent causing aggravated harm. No One even competent enough to stop the bleeding?

At least I don't have to prove how corrupt this Courthouse is, You do it for Me.

Thanks again for the service excellence and professionalism I've come to expect from Canada's Superior Court of Just-Is whatever You feel like doing and whenever You feel like doing it.

Have a wonderful, conspiratorial day - don't let Me interrupt Your nefarious deeds.

Actually, it appears I have been reporting this fraud to the Superior Court of Justice for over THREE YEARS and not one clerk or supervisor has taken any action, You have all instead colluded and conspired with these fraudsters. (see attachment).

Treasonous supervisor of the Superior Court in Bracebridge, Carrie Thompson has been supervising this fraud and protecting her criminal clerks from prosecution. Michelle the Misfit Murphy and Kimberly the Malevolent Meredith.
