Dear City of Ottawa, et al.

HABIB A. SAYAH (OPS) and NICOLE RUGGIA (LECA) are on NOTICE FOR GROSS CRIMINAL MALFEASANCE CAUSING HARM, COLLUSION AND RACKETEERING

This racketeering operation has already been reported to LECA who support and endorse the fraud of their officers Kimberly the Deplorable Duggan and Dawn the Delinquent Neilly. LECA is a FRAUD covering up the crimes of corrupt cops.

You are ALL on Notice for the following:

NOTICE OF CRIMINAL LIABILITY: GROSS CRIMINAL MALFEASANCE CAUSING HARM, BREACH OF TRUST, ABDICATION OF OATH, COLLUSION AND CONSPIRACY TO INTERFERE WITH AND PERVERT JUSTICE WITH MALCIOUS, CRIMINAL INTENT. TOGETHER, THESE CRIMES CONSTITUTE TREASON.

I presume that Sally A. Gomery has NOT received My non acceptance for fraud and has no idea that You decided to proceed against Me in a private Court at 100 Constellation Avenue, hoping to intimidate and coerce Me into accepting a decision I know was obtained in fraud, right? Absolutely FRAUD and a SERIOUS VIOLATION OF THE RULES!!!

You can weaponize the Courts against Me when I report fraud, but You are incapable of communicating My reports of federal crime, court fraud and Your fraudulent proceeding against Me to the trial coordinator, Sally A. Gomery?

And You expect Me to believe it is not because You do not Wish for the Honourable Justice to know about YOUR crimes? Try again. I'll believe it when I hear from Sally Gomery. You Will be ALL be Noted in Default for TREASON if this message does not reach Sally Gomery by 5:00 TODAY!!!

TERMIUM Plus® - Government of Canada's **Terminology and Linguistics** Databank

There were three *changes of state* or condition attended with different *consequences*, maxima, media and minima. The greatest, capitis deminutio maxima, involved **the loss of liberty, citizenship, and family** (e.g. being made a slave or **prisoner of war**).

Every single 'STATE ACTOR' who declared 'independence' from the Crown in 1867, was charged with TREASON by the Crown for the theft of Crown property and violation of Your Oath. In 1868, Canada was granted its 'independence' and the Birth, Marriage and Deaths Registration Act was Created, requiring any who 'elected' to follow the treasonous traitors to be required to REGISTER as CITIZENS for colluding with the treasonous PARTY, making them a 'party' to their treason, where they would inherit the 'NATURAL' status of prisoner of war for colluding with You and against the Crown.

Yeah... Are You surprised to know there might be consequences for Your Actions? Choosing to take no Action is an Act of Criminal Negligence aggravating the harm done to Me. If You were not all so morally and ethically bankrupt, I would not need to tell You how to respond to an email, much less an email from a Man complaining that he can't access the Ontario Superior Court of Justice because it has been entirely infiltrated by criminals posing as Ontario Superior Court clerks, which also happen to be government employees working for CROWN in the City of Ottawa.

You Notified police and that has so far only proved that the Ottawa Police Service are complicit because nothing is getting done, the Kreling Criminal Cabal appears to be fully operational and continues **to intercept My communications with the Court and the Trial Coordinator necessary for My relief and remedy from these criminal trespasses WITH ALL OF YOU AS AN IMPARTIAL WITNESS TO MY EMAILS TO THE COURT!** (So You know it's not an allegation, it is demonstrably clear, criminal negligence and interfering with justice - serious criminal charges.)

Do You all believe that it is appropriate for the Ontario Superior Court of Justice to 'GHOST' Me for over a year and REFUSE to confirm or deny that they have (at the very least) communicated My non acceptance of Marc E. Smith's decision for fraud to the trial coordinator so that I can settle the Order? Not one of My adversaries has come to Me to settle the order so they can receive the \$89,000.00 or whatever it is they are as King of from Me in costs? No One finds it a little strange that My opposing counsel's lawyers don't Wish to get paid?

They don't care about getting paid because they are engaged in fraud and terrified that I Will report it to Sally A. Gomery! They have been conspiring with clerks at the Ottawa Courthouse from the beginning, and now they Will not let Me report the crimes to the trial coordinator so that I can have My justice. Numerous motions for contempt were categorically ignored. How morally bankrupt do You all have to be to read this and do NOTHING? You are not getting paid enough? Tell that to the People You were Trusted to provide basic income to!!!

You are all interfering with My determination to communicate with the Court, which (at best) is collusion and conspiracy to engage in racketeering and treason against Canada's People because You are seeking to destroy the only thing You were ever Trusted to guarantee the protection of - My God Given Rights to be free from harm, piracy and unwarranted attacks upon My PERSON!!!

If any of You actually had any moral integrity, I would not need to tell You what to do. Every single one of You would have responded to Me to tell Me how shocked You are to hear this and express Your sympathy. You would tell Me that You are filing an official police report and Will Keep Me up to date to let Me know how soon I can expect to see My adversaries arrested and the money I'm owed paid into the Court.

You are deliberately trying to prevent Me from reporting the fraud to interfere with My access to the financial wealth I am entitled to, probably because You are all concerned I might use the wealth to sue all the People at Ontario Works who have been taking so much pleasure in trespassing upon My Trust Instrument because the Rule of Law does not apply to them, and they are colluding with the Ottawa Police Service who Will not charge the State Actors for their federal crimes and breach of public Trust in favour of aiding and abetting their trespasses upon My Trust and economic exploitation for their own nefarious entertainment and amusement, and in violation of their oath. Wonderful policing services You have, aiding and abetting the criminal Acts of the Public Trustee in favour of Canada's Beneficiaries You were trusted to protect!

Every single one of You is REQUIRED BY LAW to advise Your performance bond insurer that there is now a Claim upon Your performance bond for Breach of Trust for the maximum amount allowable and payable by Law. You Will not be entitled to insurance protections of Your performance bond if You have are found to be Acting ***in violation of Your Oath***, so it is important You Notify Your insurance providers immediately or the Law Will require You to pay in Your personal, private capacity, where Your personal property and assets may be seized by the Court until restitution is made.

If external police Services or reports to higher government agencies are required to put these crimes against Me and the fraud of four Superior Court Judges to a stop, every agent of the Ottawa Police Service Will be considered complicit in this sophisticated racketeering operation, and subject to charges for treason against Canada's People.

I Will also be as King for no less than \$100,000,000.00 in restitution for damages (one hundred million dollars). Colleen Lynch Will also receive \$1,000,000.00 for her breach

of Trust by Clara Frieir that she was never compensated for - not so much as a Notice to her about the breach or an apology. Morally bankrupt criminal Clara the Freakshow Frieir.

The police are not supposed to be attacking their citizens in fake Courts and colluding with the public Trustee to enable and empower their criminal trespasses.

You are debt slaves, You are not even allowed to own property until You repay the Crown for Your treason, You can only do business in 'credit' or 'debt', and the 'Real' property on the public Trust ledger Will always belong to the People and the Crown. You are just pirates, treasonous traitors to the Crown who are never allowed to 'own' real property until You repay Your debt and as for Giveness from His Majesty.

Why are police using CAPITUS DIMINUTIO MAXIMUS and as King of People to 'identify' as prisoners of war and or indentured slaves according to Your own terminology and linguistics databank? Is that why You can't Spell the Magic of a Man's calling correctly on an information? Are You all engaged in a constructive fraud, attempting to proceed against Canada's Sovereign People as 'ARTIFICIAL PERSONS'? Now that it has been made known to You, You MUST stop identifying People this Way unless You can provide some other lawful foundation for compelling living Men and Women to identify as 'artificial persons'. What happened to the natural person, is that not still a lawful, sovereign entity? Why not address People by their proper name? Just a constructive fraud to 'trick' People into 'identifying' as Your corporate franchise with no inherent rights, only those of their 'creator' (the Crown), a 'statutory' creation only subject to codes, statues and Acts of parliament, not Canada's Constitution? Or what is the idea behind ALL CAPS? Please explain it to Me.

Maybe You were ignorant of the use of capitus diminutio maximus in Canadian language and society, but You cannot tell Me that the government of Canada's definition is not correct. And if the use of it is 'obsolete'... Then why are You using it today if not to deceive with malicious intent?

Sana Abou Arraf, Celia North, Christine Amero, Kelly Kritsch - that is specifically for You. Can You answer that question now that I have You before a Jury of Your peers? If You don't provide an answer, I Will presume You tacitly concede that You did so with intent to antagonize and irritate Me because I specifically showed You the definition to indicate why I do not Wish for any STATE ACTOR to address Me in ALL CAPS. It is RUDE, OFFENSIVE, and not how REAL PEOPLE SPELL THE MAGIC OF THEIR NAME!!! It is quite literally fraud in every single court document it exists and it needs to STOP!!!

You believe it is 'inappropriate' and 'abusive' conduct if I were to REFUSE to acknowledge an individual's preferred 'pronouns', right? But I can't be as King of You to Spell the Magic of My name as it was Given Me by God and expect You to respect that request? That's too much to be as King?! Who are You morally bankrupt degenerates?

I am not accepting any compromise, You Will forward all emails I have sent You to the trial coordinator, Sally A. Gomery before 5:00 PM today and Sally A. Gomery Will respond to Me in her personal, private capacity so that I know for sure it has been received by her - her digital Signature Will be required for authenticity.

Police are not authorities in law, they are enforcement of the Law and I have reported federal crimes City of Ottawa councilors are ultimately responsible, if only for Your clear and obvious inability to shut down the racketeering operation that has established it Self in Ottawa's Superior Court.

It is NOT ACCEPTABLE for clerks of the Court to be intercepting My communications with Judicial Authorities when I am attempting to report federal crimes and Court fraud that stands to tarnish the Case Law database.

I believe all of You are complicit right now, but You have until 5:00 today to prove to Me otherwise by confirming You can get these emails to the trial coordinator Sally A. Gomery so that I can receive the relief and remedy I was guaranteed by the Superior Court.

I know, You're SO morally bankrupt, You Will excuse Your childish behaviour and suggest You have no duty or obligation to respond to Me because I am not in Your constituency? I didn't vote for any of You clowns because I know how incompetent You all are! Just look at Wilson, Lowest of the Low!

Wilson Lo promised to be the 'strong voice in Ottawa for People in My community'. He promised he would get back to Me with peer reviewed studies to show Me the science You were relying on when You were coercing and intimidating People in My community to get vaccinated. I REMINDED Wilson Lo about his promise to get back to Me and he STILL refuses to do so even with all of his peers watching Me put him on blast for his breach of My trust. A breach of Trust by a state actor is a criminal offense.

Is it one count for every day You ALL ignore My emails or scapegoat Your responsibility by reporting it to Your corrupted police? I don't need Your corrupt cops unless they are going to arrest real criminals. I need confirmation from Sally A. Gomery that she has read these emails - every one of them!

Thank You, have a Blessed day. You Will be Noted in Default for not only colluding in a province wide racketeering operation, but You Will be considered responsible for their main base operations at the Ontario Superior Court. I Will request a forensic audit of Master Records of all claims dismissed against the City of Ottawa by the Court to see how often clerks like Steven Pardou switch out default judgements on the Court of Record for Genevieve Langlais and other liars posing as lawyers.

Again, I require the name of the JP in the fake Court You hosted at 100 Constellation Ave, March 11, Vinicius Oliveira needs to be arrested, and if these things are not getting done... Well, I have no reason to believe You are not all complicit, do I?

We know Genevieve Langlais can find a Judge or Justice when she Wishes to privately dismiss claims against the City of Ottawa, surely she can find a Way to get a message to Justice Sally A. Gomery to report fraud and a racketeering operation that has taken root at the Superior Court of Justice and at the expense of the Crown's reputation.

If You don't reply to this email with an apology, a first and last name, and a short description of what Part You Will Play in making sure the criminal cabal operating in Your Ottawa Superior Courts is shut down TODAY, You Will be charged with an additional count of breach of Trust and presumed to be colluding in racketeering and extortion of public money.

You Will all be charged to the fullest extent of the Law according to Canada's Criminal Code.

I Will also need to know who is responsible for setting up the fraudulent email address impersonating the Provincial Crown Attorney's office. Who is responsible for the email address 'Virtual.CrownOttawa@ontario.ca'? It is clear You are colluding with State Actors and other Courts across the province, so the provincial Court of Justice have also been compromised by Your clowns.

Responsible People trusted to protect Me would ensure that the police agency I'm reporting the crimes to are taking action. They are not, and I must believe that is by design, and that You contacted them with intent to intimidate Me rather than to protect Me.

How about We publish this story to the CBC and see how many of You retain Your seats when the People of Ottawa know how incompetent and corrupt You Truly are? Is this a Matter of public interest? I've added journalist Arthur White-Crummy to see if he is going to alert the People to the City of Ottawa's corruption or if he Will help to cover up this story. We'll see how much journalistic integrity the CBC has when it comes to exposing government corruption. I'm expecting nothing because I believe You are a propaganda network covering government crimes and lying to the People about the safety and efficacy of medical products.

Would the People have chosen You if they know this is how You respond to constituents complaining of being a victim of crime perpetrated by a sophisticated criminal network established in the Superior Court intercepting claims of rights violations and breaches of public Trust? I bet they wouldn't. Isn't that deceptive? You're not really telling the whole story, is that not fraud by way of omission of evidence necessary to make an informed decision?

I know this email is long, but You don't appear to have anything better to do and I was as King of You to do a few things for Me as public servants, public Trustees... People I am expected to be able to *Trust*...

Before Monday You Will do the following:

1. You Will provide the name of the JP who hosted the fraudulent hearing in Room 101 on March 11th, 2025.
2. You Will arrest Vinicius Oliveira and Yvonne Goebel for IMPERSONATING CROWN, ENGAGING IN FRAUD, and GROSS PROSECUTORIAL MISCONDUCT IN HIS PRIVATE CAPACITY.
3. You Will advise Clara Freier that **only insane People** believe that the Rule of Law does not apply to every One equally, so therefor the Trustee Act of Ontario is equally binding upon Sean's Trust on file with MOJAG and Ontario Works, as is Canada's Criminal Code for malicious breach of that Trust with intent to cause harm. That's what they are liable to Me for \$101,000,000.00. Apparently, the only reason Clara Freier and Nazi Nana Asante engaged in such malicious breach of Trust was because they believe that the Trustee Act of Ontario and Canada's Criminal Code do not apply to them. I can only Imagine that they developed that Idea because You endorse their criminal conduct and federal trespasses. If Clara Freier does not reflect the opinions and views of the City of Ottawa, You need to let Me know before Monday and put the criminal trespasses upon My Trust Instrument perpetrated by their arrogant, contemptuous agents to a stop immediately.
4. You Will elicit a reply from the Ottawa Superior Court to confirm or deny that Sally A. Gomery, trial coordinator in 22-89835 has received My non acceptance for fraud. If she has and she is as King of Me to endorse a decision I know was obtained in fraud, I Will do so under duress and appeal the decision with a Divisional Court. However, I can't do that if You are interfering with My communications with the Court. The Court would not 'ghost' Me, but City of Ottawa employees certainly would in My experiences.

Not ONE of these requests is unreasonable or should have taken more than a few hours at most to accomplish. I can't help but believe Your contempt is with intent to antagonize. For the Life of Me, I don't know what I ever did to any of You and why You are so determined to frame Me as the bad guy. A previous version contained some profanity because nothing is more profane than Your contempt for Your People if I am any kind of example. I removed it because I don't Wish to stoop to Your level. But WTF? Every One know what that means, is that acceptable?

I look forward to hearing from You.

In Canada's Criminal Code, there's no specific term "racketeering," but the concept is addressed through provisions related to criminal organizations and related offences, ***including instructing others to commit crimes for the benefit of such organizations.***

Here's a breakdown of relevant sections and concepts:

Criminal Organizations:

The Criminal Code defines "criminal organization" and outlines offences related to them, including instructing others to commit crimes for the benefit of the organization.

Instructing Others to Commit Offences:

Section 467.13 states that anyone who is part of a criminal organization and *knowingly instructs someone to commit an offence for the benefit of the organization* is guilty of *an indictable offence, punishable by life imprisonment*.

No Need to Prove Specific Offence Committed:

In a prosecution under this section, it's not necessary to prove that an offence other than the one under subsection (1) was actually committed, or that *the accused instructed a particular person to commit an offence*.

Pattern of Criminal Activity:

A court can determine that *an offender has engaged in a pattern of criminal activity if they committed acts or omissions that constitute at least two serious offences or one criminal organization offence*.

Forfeiture of Property:

The Criminal Code allows for the *forfeiture of property obtained or derived from the commission of designated offences, including those related to criminal organizations*.

Conspiracy and Related Offences:

The Criminal Code addresses conspiracy to commit offences, including those related to criminal organizations, and other related offences *like being an accessory after the fact or counselling a person to be a party to such an offence*.

Fraud:

Section 380 of the Criminal Code deals with fraud, making it an indictable offence with *a maximum penalty of 14 years imprisonment if the fraud involves more than \$5,000*.

Municipal Corruption:

Section 123 of the Criminal Code deals with **municipal corruption**, making it *an indictable offence to give, offer, or agree to give a loan, reward, advantage, or benefit to a municipal official as consideration for their actions*.
