Good Morning 'Imposter' Posing as Crown Attorney for the Ontario Superior Court,

I can understand CLERKS being entirely incompetent and corrupt, but for Judges and Justices of the Superior Court in receipt of reports of fraud in testimony made to the Court that has (already) corrupted the Case Law database so as to Establish further precedence founded in fraud, AND I've reported to You that this fraud was only possible as a result of the collusion and corruption of clerks of this Court and two Superior Court Judges that were unable to identify a fraudulent Certificate for no other reason than they were just too lazy to check the official Court of Record.

Your criminal negligence and the corruption of this courthouse and its clerks has entirely deprived Me of My right to a 'fair' and 'impartial' hearing. You are clearly colluding with My adversaries now simply by failing to arrest them.

Let's face it, if My adversaries were reporting similar crimes to You allegedly perpetrated by Me, You'd be at My door with SWAT.

So, can You get over Your own egos long enough to do Your job, stop aggravating the scandalous harm done to Me and the embarrassing level of corruption I've exposed in Your Courts and start war King on damage control and weeding out the crooks cheating People of their right to due process?

On Notice as clerks of this Court engaged in fraud or gross criminal malfeasance causing harm for pleading ignorance of Trust Law and the official Court of Record as clerks for the Superior Court of Justice.

Every single individual who allegedly represents Crown is guilty of at least one count of breach of Trust for everyday these emails go unanswered and You continue to let these criminals run amok.

Thank You kindly for Your time,

How many Ontario Superior Court officers alleging they represent the Crown does one have to report criminals to before arrests get made? Your guess is as good as mine...

This Will be published later today for the Monday Motive a Sean Edition of the Good News Journal on www.vondehnvisuals.com. Not everyday the public gets to see a real 'inside' look at the corruption taking place in Canada's Courts.

Thanks for the front row seat!
