Dear Ontario Superior Court of 'Just is',

My sister is claiming to have been awarded a CAET by the Ontario Superior Court. This Court has no 'Record' of My sister's appointment. The Toronto Superior Court has no 'Record' of My sister's appointment.

Both My brother and My sister have Sworn to TWO Ontario Superior Court Judges that the Certificate My sister is walking around with is not a fraud. But again, You have no 'Record' of any One being appointed to protect the Estate of Joachim von Dehn or his legal and lawful interests.

I MUST presume that as an 'impartial judicial body' I do not have to prove My Claim - I never did. It should have been as easy as reporting to You that My sister has a Certificate with the Court Seal on it that this Court has no Record of. That is fraud on its face. But I didn't have a copy of the Certificate because there was no application, they had no intention of actually 'processing' any documents onto the Registry. The documents are still sitting at the Bracebridge Courthouse in a private folder Michelle Murphy is keeping 'off the Record' so that the Toronto Superior Court can continue to receive claims against My father's Estate 'in care of' Michael von Dehn who is allowing him to be noted in default for three million dollars worth of damages caused by a hit and run accident perpetrated by Tiffany Singh, the woman Marc E. Smith believes Tanja and Michael should split the remainder funds from the power of sale.

That SOUNDS an awful lot like a Judge attempting to 'legalize' unlawful activity. The judge believes it is 'okay' to falsely charge My father for the crimes of Tiffany Singh, and bill it to INTACT insurance so that Tiffany Singh, Michael von Dehn, and Tanja Johnson can receive the remainder funds from the unlawful power of sale that somehow took place without an ETDL being appointed or a CAET issuing, so there was no judicial oversight whatsoever, selling the house on the 'private' real estate market.

At the end of the day, the Ontario Superior Court as an 'unbiased and impartial body' ONLY knows that I'm telling the Truth and that Tanja Johnson claiming to be duly appointed a CAET by this Court is FRAUD and PERJURY. Michael allowing My father to be falsely accused of the criminal acts of Tiffany Singh IS NOT ACCEPTABLE TO ME!!!

I am beginning to feel like a victim not only of crime, but a victim of targeted abuse and discrimination perpetrated by authorities and agents of this Court TRUSTED to protect Me from criminal harm. How much evidence do You need in addition to Your own Court of Record before You can start making arrests?

Alternately, how long do You intend to perpetrate the charade? If You are going to discriminate against Me with such extreme prejudice and impunity, just advise Me that I Will be required to appeal to an international Court or otherwise if I am Wishing for any kind of Justice.

What I can tell You, is that there is absolutely no excuse for agents of this Court ignoring these emails and allowing these crimes to continue. Again. I am publishing every single one of these emails, and it Your reputation and His Majesty's on the line. So if You believe this is what the King expects from representatives of his Crown in Canada's Courts... Continue to destroy the Crown's reputation and that of Your judges.

You have two judges that Wish to argue with their own official, impartial Record. Are they stupid, complicit, or was every clerk and judge associated with this claim just too lazy to check the Court of Record to see if any One has been appointed by the Court to represent My father. Pleading ignorance of Your own Records is not acceptable.

Weaponizing the police against Me for complaining about it, is disgraceful. And now You do NOTHING to stop the real criminals who perpetrated fraud on the Court? Or You going to plead 'ignorance' of that, too?

Since when did ignorance become an excuse for the Law?

I look forward to hearing from some One, preferably today - and SOON.

You let Me know if there is any more EVIDENCE required before You Will be convinced that Tanja and Michael are engaged in fraud... I'll wait, but not so patiently - I've waited long enough!

Blessings,

King Sean, House von Dehn,
