Good morning,

The Ontario Provincial Courts of incompetent Jurisdiction; so incompetent that even when I provide You with a copy of the fraudulent email sent to Me from 'Virtual.CrownOttawa', *impersonating* the Ministry of the Attorney General and Department of Justice with malicious intent to deceive Me and use to use these Provincial Courts of Justice as a cloak for their fraud.

And not one individual across eighty courthouses in the Province of Ontario, not one individual on City council or the Mayor, not the Ottawa Police Service, the Auditor

General, or the City of Ottawa Manager are capable of coordinating individuals competent enough to arrest Gillian the Criminal Kreling, Jove the Predator Ponniah, or Carrie the Colluding Thompson, despite all three of these Courthouses being in receipt of this email?

Is it fair then to presume that every Provincial Court in the Province of Ontario has been compromised by the Kreling Criminal Cabal and crooked cops, and that the Auditor General and City of Ottawa Manager are only there to oversee this crime syndicate and ensure it remains operational?

This continuous fraud obstructing Canada's People's access to the Ottawa Courts of Justice (both provincially and federally) has been ongoing for *years* - and the City of Ottawa's auditor general, Nathalie the Goulish Gougeon, and the City of Ottawa manager, Wendy the Seedy Stephanson, have been aware that several City of Ottawa employees are instrumental, key players in this racketeering operation for at least a week.

The Ottawa Police have been helping State Actors cover up clinical trial data showing how dangerous the bioweapons were expected to be so as not to invoke 'vaccine hesitancy'?

"We discovered that Pfizer trial data showed that 28 of 29 pregnant mothers would lose their baby, but We did not Wish for pregnant and nursing mothers to be dissuaded from taking the product, so We covered it up and fired the investigating officer for launching an 'unauthorized investigation'.

Helen Grus was Honouring her Oath to do no harm to Canada's People and the 'top brass' of the Ottawa Police are guilty of obstructing her investigation with malicious intent to collude with State Actors engaged in a national genocide plan.

Again, if I have characterized the actions of Your department in relation to Hero Helen Grus findings inappropriately or incorrectly, Habib the Stupid Sayah, please let Me know and explain why You helped State Actors cover up Helen Grus findings and suppress the data, causing irrevocable harm to countless unborn babies across Canada.

Why would some One interfere with some One attempting to bring this alarming news to the attention of Health Canada? Because Health Canada already knew, the harm being done is intentional.

Every One in receipt of this email is guilty of at least ten counts of Breach of Public Trust, and the Ottawa Police Service are guilty of colluding and conspiring against Canada's People to engage in genocide and behaviour they knew or ought to have known would result in countless avoidable Candian fatalities. And for no reason but to push a medical product and increase Pfizer's 'bottom line'.

You can all be lawfully removed from office for Your treason against Canada's People.

Any One capable of getting these emails into the hands of a COMPETENT Judicial authority?

I look forward to hearing from You, this Will be published on [www.vondehnvisuals.com](http://www.vondehnvisuals.com).

Can We at least start with Kimberly MacDonald? My guess is that the second You put her in cuffs and start as King of her who she's conspiring with, she Will tell You everything You need to know. I know the Ottawa Police are reluctant because they are complicit. Right Habib A. Sayah? Or is there another reason You are letting these criminals run amok in the City?

Blessings,
