Good morning 'Virtual Crown',

I require a copy of the WARRANT and the disclosure package for 24-122310.

I also require a copy of the Order for 23-353404 and the name of the judge.

For both the above file/case numbers, I require the MASTER COURT OF RECORD showing all documents from the initiating document to the last documents filed onto the Registry related to this Matter.

Dawn the Delinquent Neilly and Dawn the Deplorable Duggan as well as the officers involved in 24-122310 need to be arrested for fraud and impersonating Crown.

This office has been infiltrated by crooked cops imposing the Crown Attorney's office for the province.

I require a responsible individual representing the official Crown for the province to respond to this email and advise on how to deal with these criminal cops engaged in fraud. Please also be advised that on the fraudulent ticket, they also changed the last name to 'von-dehn' inserting a hyphen to disguise the name and not alert the Ministry to the fraud.

This is also going out to all city councilors so they can see how their corruption has infected the Provincial Court of Justice. I can't Trust this email because it has been compromised by City of Ottawa employees impersonating Crown, engaged in fraud, proceeding against litigants 'off the Record' at 100 Constellation Drive.

I require the FULL COURT OF RECORD for both above files.

Thank You,

Sorry, Kimberly the Deplorable Duggan and Dawn the Delinquent Neilly are the two criminals involved in this fraud.

Good Morning, 'Virtual' Crown for the City of Ottawa,

It appears Your entire office has been compromised by City of Ottawa employees. Or is there another reason why You are IGNORING My email and REFUSING to produce the documents I am as King of You for?

We know that Vinicius the Odious Oliveira is guilty of impersonating Crown to engage in fraud. We know Dawn the Delinquent Neilly and Kimberly the Deplorable Duggan are engaged in fraud and unlawful intimidation tactics. We know

they have profited from this fraud to the tune of \$6280.00, and We know that they altered the name on the ticket to avoid detection by the MOJAG.

Is there any other information that Habib A. Sayah (executive director for the Ottawa Police Service responsible for the fraud) would need in Order to arrest these criminals posing as cops and the 'fake' prosecuting attorney for using his position to engage in fraud and theft of over \$5000.00?

I'm curious to know why he is not making arrests, is it fair to presume that this operation was organized by the executive director with intent to intimidate Me? Or what other reason would Habib have for failing to arrest these criminals if he is not one of them?

I do require these documents for the purpose of litigation, please. That's the full Court of Record for each of the above informations.

As Cathy Curry is also on the police board and appears to be determined to OBSTRUCT My email messages from reaching the trial coordinator, Sally A. Gomery, I would like to request for a WARRANT to be Issued for the arrest of all People involved, including the JP responsible for hosting the fake hearing.

How long before Honest police investigate this office and remove all the criminals conspiring with the City of Ottawa and their local police?

Have a wonderful day,

King Sean, House von Dehn,

Thank You kindly

Good morning,

If I don't receive the required documents today, and if arrests are not made by the end of today so that I can 'Trust' this office to operate like an office of the Ontario Provincial Court and reply to My emails, I Will be forwarding this email to every other Provincial Court in the province of Ontario to alert the Ministry to the fraud taking place in this office.

It is clear that no One in receipt of this email represents the Ontario Court of Justice, every One in receipt of this email appears to be protecting the criminals who have infiltrated this office to OBSTRUCT My access to justice.

I look forward to receiving those documents and the name of the JP in Courtroom 101, 100 Constellation Drive on March 11, 2025. This Will be very easy for any legitimate Ontario Court of Justice to produce, along with a copy of the Order responsible for the \$6280 fraudulent ticket.

Thanks for Your time and attention to this very serious and important matter. Not every day We catch the executive director of the Ottawa Police Service hijacking a provincial Court to engage in fraud with corrupt officers from his department.

Love and Blessings,

King Sean, House von Dehn,
