Dear Nathalie Gougeon,

Is this enough evidence of corruption and wasteful police spending and court costs, or is this 'the tip of the iceberg' Cathy the Colluding Curry was tall King about? Does the City of Ottawa typically use their police to threaten and intimidate individuals attempting to report crimes to Superior Court Judges?

Although I stated that if I did not receive a reply I would presume Sally A. Gomery is complicit in the fraud, I honestly can't believe that is True until I hear it from her Honour directly. I do believe that an executive director would attempt to throw a Judge under the proverbial bus to save his own ass and those of his corrupt police officers, though.

Can I Trust You to get this emails to Superior Court Judge Sally A. Gomery? I don't seem to be able to Trust any One else in Ottawa...

This email to the auditor general Will be published on www.vondehnvisuals.com. I look forward to hearing from You and hope this email finds You well.

Blessings,
