Good morning

Please find attached the Certified True Copy from March 11,2025.

If you are wanting to request transcripts from this court decision you will need to file a request through the online process , link attached here, as shown below:

If you are wanting transcripts for the two files for Elgin St court you would apply through the same link for transcripts.

Transcripts

A court transcript is a verbatim report of the conversation that occurs during a trial.

Clients requiring a copy of their court transcript can do so by accessing the Authorized Court Transcriptionists for Ontario website www.courttranscriptontario.ca(**link is external**). Once the client has chosen the ACT, the ACT and the ordering party will agree to all aspects of the transcript order including fees, terms of payment, availability to prepare and certify the transcript, the required timeframe and any specific delivery requirements.

Sincerely

Kim Macdonald she/her/elle

I require a copy of the Waybill receipt for the Service of the SUMMONS. There is also no information whatsoever? What happened to the three disclosure packages?

When did the file number change from 23-353404 to 24-0697, and who authorized that change, Kim?

Who is YB? The Provincial Crown does not Sign official court documents without a first and last name. Who is YB?

None of this is acceptable, what email are You responding to, can You please include the email request You are responding to?

The official Record requires the waybill receipt and tracking number to show it was received. No SUMMONS was ever served, You have provided evidence of fraud.

Thank You, Kimberly,
